INFORMATION YOU SHOULD KNOW

THE TEXAS OFFICIAL TRAVEL MAP
is published annually by the Texas Department of Transportation to assist travelers in safely exploring the diversity of interesting places and landscapes that Texas has to offer. Some communities, roads and waterways are omitted from the main map and insets to foster readability. The legend at the lower right corner of this side of the map identifies the various symbols and design characteristics on which this map is based.

The cover image features sea shells on the beach at South Padre Island, shot by Texas nature photographer Larry Ditto. View more of his work in *Texas Highways* magazine.

Just follow these simple steps:
- Pay attention

Call **800-525-5555** if you need roadside assistance. You also may report hazardous road conditions, suspicious activity at a rest area and intoxicated drivers. Customers of ALLTEL, Nextel, AT&T/Cingular, Verizon, Sprint, US Cellular and T-Mobile can also dial *DPS (*377) for assistance.

TALK/TEXT CRASH TxDOT

Texting and driving kills. And it's illegal in Texas.

- Always give **driving** your **full attention.**
- **Put your phone away**—or turn it off—before you get behind a wheel.
- **Pull off the road entirely** before you talk or text.
- **Tell friends, family and coworkers** you won't respond to calls or texts when driving.
- **Use a smartphone app** that sends auto-reply texts when you're behind the wheel.
- Spread the word. Tell your friends and family the **dangers of distracted driving.**

Drivers should be aware that many toll roads are now using a cashless system. This bill may contain an administrative or statement fee, plus the toll. For more information, visit **txtag.org.**
