RE: SH 183 Managed Lanes Project

To Whom It May Concern:

Attached is Addendum #2 to the Request for Qualifications that was issued February 20, 2013 (RFQ) for the above-referenced project.

This Addendum #2 amends the terms of the RFQ by adjusting the anticipated procurement schedule set forth in Section 3.3 with respect to the scheduling of industry one-on-one meetings. Such one-on-one meetings will be scheduled for April 17-18, 2013. Industry participants are encouraged to request a scheduled time for a one-on-one meeting not later than Wednesday, April 10, 2013. The Texas Department of Transportation looks forward to receiving and reviewing your Qualification Statement and to discussing the Project and procurement in the upcoming one-on-one meetings as described in the RFQ.

Sincerely,

John Hudspeth, P.E.
