BROWNWOOD District

The Texas Transportation Commission (commission) approved Minute Order 110286, dated October 27, 2005 that designated a new location in BROWN COUNTY (county) in the city of Brownwood (city) as FARM TO MARKET ROAD 823 and redesignated a segment of FARM TO MARKET ROAD 3064 as an extension of FM 823 on the state highway system.

It has been recently determined that FM 823 is currently designated on the state highway system in Jefferson County from the intersection of West Port Arthur Road at State Highway 73 southward to its terminus 0.57 mile south of the intersection of SH 73.

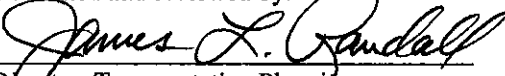

It is now necessary to rescind Minute Order 110286, dated October 27, 2005 and designate the new location as FARM TO MARKET ROAD 2376. In order to facilitate the flow of traffic, promote public safety, and maintain continuity on the state highway system, a segment of FM 3064 will be redesignated on the state highway system as an extension of FM 2376.

Pursuant to Texas Transportation Code, §§201.103 and 221.001, the executive director has recommended that Minute Order 110286, dated October 27, 2005 be rescinded and the new location be designated on the state highway system as FM 2376, and a segment of FM 3064 be redesignated on the state highway system as an extension of FM 2376.

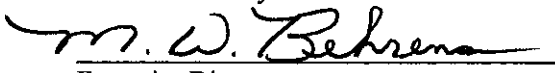

IT IS THEREFORE ORDERED by the commission that:

1. This minute order voids and replaces Minute Order 110286, dated October 27, 2005.
2. FM 2376 is designated on the state highway system along a new location from the intersection of FM 45 northward to the intersection of FM 3064, a distance of approximately 1.3 miles.
3. A segment of FM 3064 is redesignated on the state highway system as an extension of FM 2376 from the intersection of FM 2376 northward to its present terminus at Asbury Street, a distance of approximately 0.9 mile.
