Re: CSJ# 0921-02-140 - Owassa Road – Jackson Road (FM 3362) to US Highway 281/Interstate Highway 69-C

Dear Mr. Garza:

This is to certify that the procedures outlined in the Texas Department of Transportation's (TxDOT) Environmental Handbook: Public Involvement has been carried out. A total of one (1) request for a public hearing was received prior to the deadline of May 1, 2015 at 5:00 p.m.; however, as a result of a meeting with the citizen, the request was retracted.

If there are any questions, please feel free to call.

Sincerely Yours,

William F. Ueckert Jr.

CERTIFICATION OF OPPORTUNITY FOR A PUBLIC HEARING

This is to certify that:

1. The opportunity has been afforded the public to request a public hearing covering the project's location and design. A total of one (1) request for a public hearing was received prior to the deadline of May 1, 2015 at 5:00 pm.; however, as a result of a meeting with the citizen, the request was retracted.

2. The economic and social effects of the project's location and design and its impact on the environment have been considered.

3. In determining the economic, social, and environmental effects, the statutory provisions on the Civil Rights Act of 1964 have been considered.

4. The project's consistency with the goals and objectives of urban planning as dictated by the community has been considered.
