FORT WORTH District

In HOOD and JOHNSON COUNTIES, the Fort Worth District has requested the designation of US HIGHWAY 377 (US 377) along a new location from approximately 1.4 miles north of State Highway 171 southwestward around central Cresson to approximately 1.1 miles south of SH 171, a distance of approximately 2.8 miles; and the redesignation of the old location of US 377 through Cresson as BUSINESS US 377-F (BU 377-F), a distance of approximately 2.5 miles.

Pursuant to Texas Transportation Code, §§201.103 and 221.001, the executive director has recommended that US 377 be designated on the state highway system on a new location around the city of Cresson and that the old location be redesignated as BU 377-F.

The Texas Transportation Commission (commission) finds that the designation of US 377 along a new location and redesignation of the existing location of US 377 as BU 377-F will facilitate the flow of traffic, promote public safety, and maintain continuity of the state highway system and is necessary for the proper development and operation of the system.

IT IS THEREFORE ORDERED by the commission that US 377 be designated along a new location around central Cresson, a distance of approximately 2.8 miles, and that the old location of US 377 through Cresson be redesignated as BU 377-F.

IT IS FURTHER ORDERED that upon the start of construction of the new location roadway, the Texas Department of Transportation (department) shall forward this minute order, along with all other pertinent information, to the American Association of State Highway and Transportation Officials Special Committee on U.S. Route Numbering.

IT IS FURTHER ORDERED that if the new location roadway is developed by an entity other than the department, the maintenance, control, and jurisdiction of the new location roadway will remain with the developing entity until it is opened to traffic as approved by the department.
