Instructions for viewing a pre-recorded public meeting/hearing presentation

A pre-recorded virtual public meeting/hearing presentation is the same presentation you'd hear in-person. You can view the presentation as many times as you want.

Before the meeting/hearing

- Increase the volume on your computer or mobile device.
- Click the presentation video on the TxDOT.gov meeting page.
- Click the full-screen button at the bottom of the video to enlarge as needed if viewing in YouTube.
- Click the CC button at the bottom of the video to view subtitles.
- Unless specified, videos are recorded in English. Contact the appropriate district office if you have special communication or accommodation needs, or have a need for an interpreter.

During the presentation

- Only the presenter will speak. You cannot ask questions during the presentation.

After the meeting/hearing

- Return to the project meeting page to view project materials, submit comments and ask questions.
- Submit your comments by the comment period deadline – check the deadline on TxDOT.gov or contact the district office with questions.
