MINUTE ORDER

BEAUMONT District

In CHAMBERS COUNTY, local officials have requested that the designation of FARM TO MARKET ROAD 1409 be extended along a new location from FM 565 in Old River-Winfree, southward to FM 565 west of Cove, a distance of approximately 4.6 miles (extension).

The extension was previously designated on the state highway system by Minute Order 112208, dated March 25, 2010. However, that order is null and void because construction of the project did not begin within the specified timeframe.

Pursuant to Texas Transportation Code, §§201.103 and 221.001, the executive director of the Texas Department of Transportation (department) has recommended that the extension be designated as FM 1409 and incorporated into the state highway system.

The Texas Transportation Commission (commission) finds that the extension of FM 1409 will facilitate the flow of traffic, promote public safety, maintain continuity of the state highway system, and is necessary for the proper development and operation of the system.

IT IS THEREFORE ORDERED by the commission that the designation of FM 1409 is extended along a new location from its present terminus at FM 565 in Old River-Winfree, southward to FM 565 west of Cove, a distance of approximately 4.6 miles, as shown in Exhibit A, and the extension is added to the state highway system. In the event construction does not begin within 36 months of the date of this order, the order shall be null and void.

IT IS FURTHER ORDERED that if the extension is developed by an entity other than the department, the maintenance, control, and jurisdiction of the extension will remain with the developing entity until the highway is opened to traffic as approved by the department.
