

Public Meeting Notice
IH 40 at Arthur/Ross Street

The Texas Department of Transportation (TxDOT) in conjunction with the Amarillo Metropolitan Planning Organization will conduct a public meeting on September 1, 2015. The meeting will be held from 5:30 p.m. to 8:00 p.m. at the Wesley Community Center, 1615 S. Roberts Street, Amarillo, TX 79102.

An open house will begin at 5:30 p.m. and will provide information and display exhibits related to the project. A short presentation by TxDOT personnel will be conducted at 6:00 p.m. followed by a public comment period.

The purpose of the meeting is to present the proposed improvements to Interstate Highway (IH) 40 between Washington Street and Ross Street. The improvements include the bridge replacements at Arthur and Ross Streets along with associated new pavement, ramps, and intersection improvements at Ross Street. In addition, the improvements will cover miscellaneous construction work between Washington and Ross Streets. It is anticipated that no additional ROW, relocations of existing businesses or residences will be required.

Tentative construction schedules can be obtained at the District Office. Maps and other drawings will be displayed for illustration purposes.

All interested citizens are invited to attend this public meeting to express their views and discuss the projects with TxDOT representatives; those with special communication or accommodation needs are encouraged to contact Terry Nix at 806-356-3273 at least two days prior to the meeting. TxDOT will make every reasonable effort to accommodate these needs.

Public comments, both verbal and written, may be submitted at the scheduled meeting. After the meeting, written statements and other exhibits may be mailed to Ron Johnston, P.E., Amarillo District Engineer, PO Box 7368, Amarillo, Texas 79114-7368. Comments need to be received no later than 10 days following the meeting date.

More information may be obtained at txdot.gov under the Public Meetings and Hearings section.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.
