

IH 40 Ramp Project—SL 335 Soncy Project

2 Public Meetings on Thursday, September 18, 2014

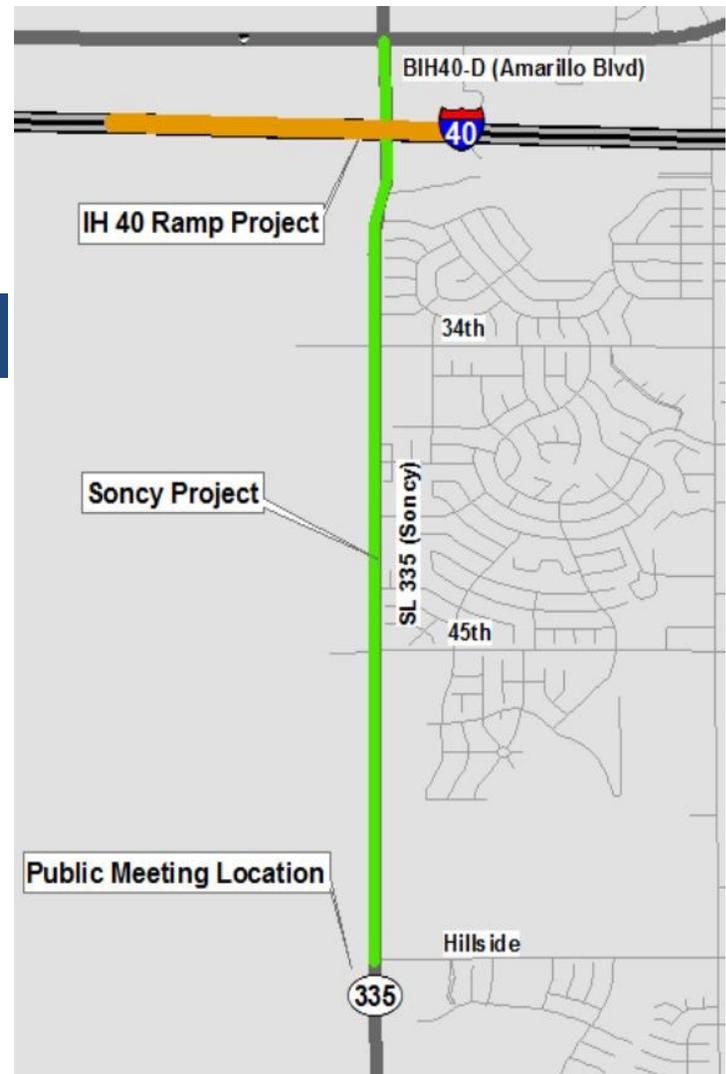

The Texas Department of Transportation in conjunction with the Amarillo Metropolitan Planning Organization is proposing a ramp project on IH 40 from Helium Rd. to East of SL 335 and a project on SL 335 (Soncy Rd.) from BIH40-D (Amarillo Blvd.) to Hillside Rd for the purpose of enhancing mobility and traffic operation efficiency.

Overall Project Details

IH 40 Ramp Project: Reverse west bound and east bound ramps west of SL 335. Construct west bound entrance ramp east of SL 335 and east bound entrance ramp east of Helium Road and widen the SL 335 bridge. Construction estimate 4.0 M.

SL 335 Soncy Project: Install new and upgrade existing signals for improved timing. North bound lanes: Construct dedicated right turn lane into Westgate Parkway which will allow for 3 north bound lanes to IH 40 and construct dedicated right lane from IH 40 to BIH40-D. Raised medians at 34th and 45th intersections. Raised medians from Westgate Parkway to IH 40 and from IH 40 to BIH40-D. Construction estimate 3.0 M.

Both projects are tentatively scheduled to let for construction in July 2015.

Public Meeting Location and Time

Please join us from 5:30 p.m. to 8:00 p.m. on Thursday September 18, 2014 at the Hillside Christian Church, Amarillo West Campus, 6100 Soncy Road for these public meetings, which are designed to provide information and offer opportunities for the public to ask questions and provide their comments.
