

Texas Department of Transportation Open House For The Proposed Construction of FM 3535 in Camp County

The Texas Department of Transportation (TxDOT) will conduct an open house meeting on Tuesday, June 23, 2015, from 5 p.m. to 7 p.m. at the Region 8 Education Service Center located at 4845 US Highway 271 North, approximately 3 miles north of Pittsburg, Texas. A presentation overview of the project will be given at 6:00 p.m. The purpose of this open house is to discuss the proposed construction of FM 3535 from FM 1520 to US 271 in Camp County. Additional right-of-way would be required for this project.

All interested citizens are invited to attend this open house to express their views and discuss the project. TxDOT personnel will be available to answer questions and receive written comments from those in attendance.

Those interested in attending the open house who have special communication or accommodation needs are encouraged to contact the Atlanta District Planning Office at (903) 799-1302 at least two days prior to the open house. Because the open house will be conducted in English, any requests for language interpreters or other special communication needs should also be made at least two days prior to the open house. TxDOT will make every effort to accommodate these needs.

Maps and drawings that will be exhibited at the open house are available for public review at TxDOT's Atlanta District Design Office located at 701 E. Main in Atlanta, Texas. Information on the proposed project can also be found at <http://www.txdot.gov>. Search key words "FM 3535". For project information, please contact Project Manager Dana Moore at (903) 799-1208.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.
