

**AUSTIN DISTRICT  
FY 2017-FY 2020 RURAL TRANSPORTATION IMPROVEMENT PROGRAM**

Thank you for participating in the public involvement phase of the Texas Department of Transportation (TxDOT) Austin District FY 2017 - FY 2020 Rural Transportation Improvement Program (TIP), a component of the Statewide TIP (STIP). The STIP is TxDOT's four-year capital improvement program developed under Title 23 United States Code (USC) Section 135, and 43 Texas Administrative Code 16.103. The STIP provides for the development and integrated management and operation of transportation systems and facilities (including accessible pedestrian walkways and bicycle transportation facilities) that will function as an intermodal transportation system for the State and an integral part of an intermodal transportation system. Transportation projects and programs are required to be included in a federally approved, fiscally-constrained STIP to be eligible for funding under Title 23 USC and Title 49 USC, Chapter 53.

The Austin District Rural TIP includes phases of transportation projects planned to be developed with the use of federal funds in Blanco, Gillespie, Lee, Llano, and Mason Counties between October 1, 2016 and September 30, 2020. Project development phases shown in the TIP can include feasibility studies, engineering, right-of-way acquisition, and construction. The program also contains projects that the Capital Area Rural Transportation Systems (CARTS), a regional rural transit provider, anticipates to submit grant applications for Federal Transit Administration funding during the same period. Projects in Bastrop, Burnet, Caldwell, Hays, Travis, and Williamson Counties are included in the Capital Area Metropolitan Organization's TIP. For information on CAMPO's TIP, contact Alex Kone, CAMPO Senior Planner, at (512) 974-2529.

Projects contained in the program have been developed in cooperation with local governments under applicable state and federal laws. See the accompanying brochure for more information on the project selection process.

As part of the public process for developing the Rural TIP, you may make verbal or written comments in person at one of two open house-format public meetings:

**First meeting:**

**Thursday, April 28, 2014 (4-6 p.m.)  
Stribling Room  
Mason County M. Beven Memorial  
Library  
410 Post Hill Road, Mason**

**Second meeting:**

**Thursday, May 5, 2016 (4-6 p.m.)  
Giddings Public Library, Large  
Conference Room  
276 North Orange Street, Giddings**

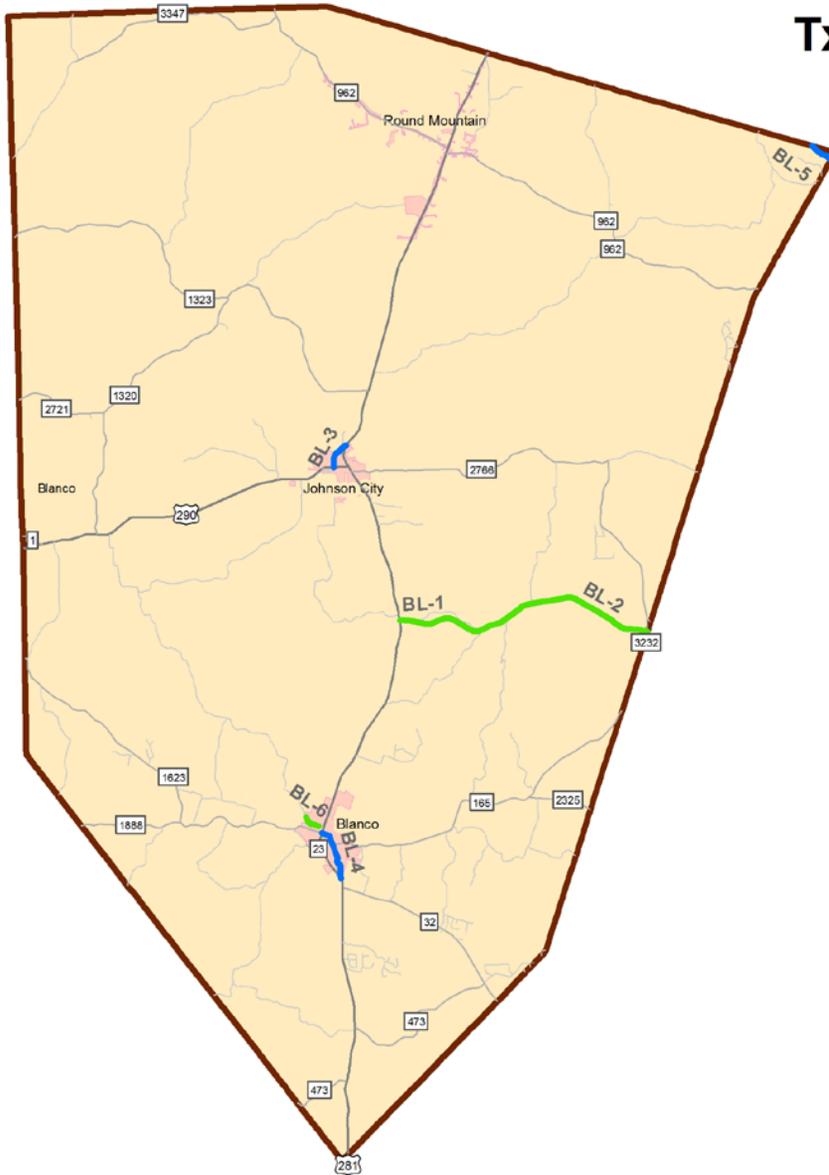

In addition, written comments may be submitted to: Texas Department of Transportation, Attention: Lorena Echeverria De Misi, P.E., 7901 N. I-35, Austin Texas, 78753. To be recorded in the Rural TIP summary documents, written comments must be received at the Austin District Office by 5:00 p.m. on Thursday, May 19, 2016.

For additional information or to submit comments electronically, visit [www.txdot.gov](http://www.txdot.gov) and enter "**Austin District Rural TIP**" in the search box. You may also contact:

Diana Schulze, P.E.
