

YOU'RE INVITED

Educational Open House

for Diverging Diamond Intersection Project at I-35 and
RM 1431/University Blvd.

Tuesday, November 17, 2015 from 4:30 - 7 p.m.

Teravista Club House*

4211 Teravista Club Dr, Round Rock, TX 78665

*Attendees can park in the lot near the tennis and basketball courts

We're ready for the next phase of the Diverging Diamond Intersection project, which is moving traffic over to the opposite side of the roadway into the final lane configuration. This milestone marks the substantial completion for this project!

We want to take this opportunity to ensure everyone is aware that a change to the intersection is coming and remind motorists how to drive through this new type of intersection.

Please join us for a brief presentation at 5:30 p.m. that includes watching a "how to drive in a DDI" video. TxDOT engineers will be available to walk you through diagrams and answer your questions on a one-on-one basis.

For additional questions about the project, contact Kyle Russell at 512-930-5402.

For media inquiries, contact Kelli Reyna at 512-832-7060.
