

JOIN US FOR AN OPEN HOUSE

Traffic congestion on I-35 is a serious problem that negatively impacts mobility, safety and our quality of life. TxDOT is working with the community to transform I-35 into a smart and efficient highway system.

LEARN ABOUT THE I-35 AT WILLIAMS DRIVE PROJECT

- Replace existing overpass bridge at Williams Drive and reconstruct Williams Drive interchange to a Diverging Diamond Intersection
- Improve existing southbound frontage road
- Extend northbound frontage road from Williams Drive to the Lakeway Drive exit ramp
- Construct intersection bypass lanes under Williams Drive to avoid the traffic signal
- Improve bicycle and pedestrian accommodations along I-35 frontage roads

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.

WHEN:

Thursday, Nov. 17, 2016
5:30 - 7 p.m.

WHERE:

Georgetown High School
2211 North Austin Ave.
Georgetown, TX 78626

Come and go at your convenience to review materials and provide input. Comments received by Dec. 1, 2016 will be included in the official record.

UNABLE TO ATTEND?

Review open house materials and provide comments online at our

Virtual Open House
