

Public Meeting

IH 45 Frontage Rd Project

IH 45 Frontage Rd Improvements
From: SH 21 To: Boyd Rd

Tuesday, March 25, 2014
Truman Kimbro Convention Center
111 West Trinity
Madisonville, TX

The Bryan District of the Texas Department of Transportation (TxDOT), in coordination with the City of Madisonville, is planning to improve the IH 45 frontage roads from SH 21 to Boyd Rd. Improvements include adjusting ramp locations and converting the frontage roads (within described limits) from a two-way to a one-way facility in order to improve safety and mobility. An informal open house is scheduled for Tuesday, March, 25, 2014 between 5:00 p.m. and 7:00 p.m. at the Truman Kimbro Convention Center. TxDOT staff will display the plan and will be available to discuss the project. Since this is an open house format, no formal presentation is planned. Attendees may come and go at their convenience.

Interested citizens are invited to attend. Comments may be made at the meeting or in writing to Mr. Robert A. Appleton, P.E., Bryan Director of Transportation Planning and Development at: TxDOT, 2591 North Earl Rudder Freeway, Bryan, TX 77803. E-mail comments may be sent to the Bryan Planning Engineer at doug.marino@txdot.gov.
