The Texas Department of Transportation will hold open house meetings to discuss proposed improvements to SH 21 from 0.8-mi east of the Navasota River to North Wilson Street in Madisonville County. The public is encouraged to attend and provide feedback.

Proposed Improvements

The proposed project is anticipated to improve safety and mobility. Proposed improvements include:

- Improving safety by straightening sharp curves in the road
- Adding two lanes (for two lanes in each direction)
- Separating opposing traffic with a divided grass median
- Providing crossover access

Further details and timing of right of way acquisition and construction will be determined once funding is identified.

Citizens with special communication or accommodation needs are encouraged to call (979) 778-9727 at least two business days prior to the event. Sí desea información en Español, puede llamar al (979) 778-9615. The public is encouraged to provide comments on or before Monday, June 1, 2015.
