The Bryan District of the Texas Department of Transportation (TxDOT) is proposing to widen SH 21 from 0.8-mi east of the Navasota River to North Wilson Street in Madisonville, Madison County (approximately 20 miles). The purpose of this project is to improve safety and mobility along this portion of SH 21. Refer to the TxDOT *Hearings and Meetings* web page at <http://www.txdot.gov/inside-txdot/get-involved/about/hearings-meetings.html> “SH 21 West Madison County Widening” for more information.

Two open house meetings are scheduled. The first will be held on Tuesday, May 19, 2015 between 5:30 p.m. and 7:30 p.m. at the North Zulch High School. The second meeting is scheduled for Thursday, May 21, 2015 between 5:30 p.m. and 7:30 p.m. at the Truman Kimbro Convention Center in Madisonville. The proposed plans will be on display and TxDOT staff will be available to discuss the project. The same information will be presented at both meetings. Since this is an open house format, no formal presentation is planned. Interested citizens are invited to attend and may come and go at their convenience.

Comments may be made at the meetings or in writing by Monday, June 1, 2015 to Mr. Chad Bohne, P.E., Bryan Director of Transportation Planning and Development at: TxDOT, 2591 North Earl Rudder Freeway, Bryan, TX 77803. E-mail comments may be sent to the Bryan District Advance Planning Office at Allison.Kurwitz@txdot.gov.

The environmental review, consultation and other actions required by applicable Federal environmental laws for this project are being, or have been, carried out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated Dec. 17, 2014, and executed by FHWA and TxDOT.
