

Cementitious Grouts and Mortars for Miscellaneous Applications

NOTE: Refresh the page to view the most current list.

The following list of cementitious grouts and mortars are pre-qualified in accordance with DMS-4675, "Cementitious Grouts and Mortars for Miscellaneous Applications."

The Department reserves the right to randomly sample and evaluate pre-qualified materials for conformance with DMS-4675 and to perform random audits of documentation.

Department representatives may sample material from the manufacturing plant, the project site, and the warehouse.

For more information, contact the Construction Division's Rigid Pavements and Concrete Materials Branch at (512) 506-5858.
