

Compost

NOTE: Refresh the page to view the most current list.

The Department reserves the right to conduct random sampling of materials for testing and to perform random audits of test reports. Department representatives may sample material from the manufacturing plant, the project site, and the warehouse. CST-M&P reserves the right to test samples to verify compliance with Item 161, “Compost.”

The United States Composting Council [website](#) provides access to the most current list of STA certified producers.

For more information, contact CST/M&P’s Asphalt, Chemical, and Calibration Branch at (512) 506-5872.
