

# Biaxial Geogrid for Environmental Cracking

---

## Material Producer List

Construction Division – Materials & Pavements Section

## Biaxial Geogrid for Environmental Cracking

The following products are pre-qualified in accordance with DMS-6270, “Biaxial Geogrid for Environmental Cracking.”

The Department reserves the right to conduct random sampling of pre-qualified materials for testing and to perform random audits of test reports. Department representatives may sample material from the manufacturing plant, the project site, and the warehouse. CST/M&P reserves the right to test samples to verify compliance with DMS-6270.

For more information, contact the Construction Division’s **Geotechnical, Soils, and Aggregates Branch** at (512) 506-5907.

Producer	Product Name	Expires
Tensar	BX4100	03/2016

The following table contains the contact information for the producers of Biaxial Geogrid for Environmental Cracking.

Producer	Phone Number
Enkagrid	800-365-7391
Huesker	800-942-9418
NAUE	404-504-6295
Synteen	800-796-8336
Tensar	888-828-5126
Tencate /Mirafi	706-693-2226
Tenax	410-522-7000
Syntec	410-327-1070
Allience Geosynthetics (formerly Checkmate)	636-698-5748
Geostar Technologies	901-881-2517
