

Headlight Glare Screens

NOTE: Refresh the page to view the most current list.

The following manufacturers of headlight glare screens have complied with DMS-8610, “Modular Glare Screens for Headlight Barrier.” This Specification describes the procedure for pre-qualification.

The materials listed below are pre-qualified for use when DMS-8610 is referenced. The materials do not require sampling and testing before use.

The Department reserves the right to conduct random sampling of pre-qualified materials for testing and to perform random audits of test reports. Department representatives may sample material from the manufacturing plant, the project site, and the warehouse. The Materials and Pavements Section of the Construction Division reserves the right to test samples to verify compliance with DMS-8610.
