## Material Producer List

Construction Division – Materials & Pavements (CST-M&P)

## Laboratories Approved to Perform Tex-242-F, “Hamburg Wheel-Tracking Test”

The following laboratories are pre-qualified to perform Tex-242-F, “Hamburg Wheel-Tracking Test,” for quality assurance or quality control for Department projects. Approval requires an initial split sample testing with the Construction Division’s Materials and Pavements Section (CST/M&P) central laboratory. Laboratories must also participate in the Annual Statewide Hamburg Wheel Tracking Test proficiency program.

For more information, contact the Construction Division's Flexible Pavements Branch at (512) 506-5863.
