Refer to the Spec Book for information on the following.

- Item 613, “High Mast Illumination Poles”

Fabrication Plants

The following high mast illumination pole fabrication plants have been approved in accordance with DMS-7380, “Steel Non-Bridge Member Fabrication Plant Qualification,” which is referenced in Item 613.

The Department reserves the right to conduct random sampling and testing and visual inspections of materials from approved fabrication plants. Department representatives may sample and inspect material from the fabrication plant or the project site. Materials and Tests Division (MTD) reserves the right to test samples to verify compliance with Item 613.

For more information, contact MTD’s Prefabricated Structural Materials Section at (512) 506-5924.
