Intelligent Transportation System (ITS) Pole Fabrication Plants

Reference

Refer to the following for specification information.

- Special Specification 6064, “Intelligent Transportation System (ITS) Pole with Cabinet”

General

The following ITS pole fabrication plants have been approved in accordance with DMS-7380, “Steel Non-Bridge Member Fabrication Plant Qualification,” which is referenced in Statewide Special Specification 6064.

The Department reserves the right to conduct random sampling and testing and visual inspections of materials from approved fabrication plants. Department representatives may sample and inspect material from the fabrication plant or the project site. Materials and Tests Division (MTD) reserves the right to test samples to verify compliance with Special Specification 6064.

For more information, contact MTD’s Structural Materials Section at (512) 506-5924.
