

NOTICE FOR A
PUBLIC HEARING FOR BICYCLE USE

The Dallas and Fort Worth Districts of the Texas Department of Transportation (TxDOT) are partnering with North Central Texas Council of Governments (NCTCOG) to conduct a public hearing on transportation projects and programs that might affect bicycle use, in accordance with Title 43 of the Texas Administrative Code, Subchapter D, §25.55 (b). The public hearing will be held from 5:00 to 8:00 p.m. on Wednesday, June 25, 2014, City of Irving - City Hall on 825 W. Irving Blvd., Irving, TX 75060.

The public hearing will consist of a presentation from TxDOT and NCTCOG beginning promptly at 6:00 p.m. and an open house format before and after the presentation. Maps and drawings will be on display to show the existing bike facilities and upcoming transportation projects on the state system and Dallas/Fort Worth regional area.

The purpose of this public hearing is to provide information on the bicycle plans, policies, programs, and upcoming projects for the Dallas and Fort Worth districts of TxDOT and NCTCOG. Also, the public will have an opportunity to make comments and provide input on the bicycle transportation projects and programs.

Public comments are encouraged and must be submitted in writing. Comment forms will be available at the hearing. Written comments not turned in at the hearing should be mailed via the United States Postal Service within 10 days after the public hearing (postmarked on or before July 5, 2014) to:

TxDOT Dallas District
Attn: Kathy Kleinschmidt, P.E.
4777 East Highway 80
Mesquite, Texas 75150-6643

The public hearing will be conducted in English. Persons interested in attending the meeting who have special communication or accommodation needs, or need an interpreter, are encouraged to contact the TxDOT Dallas District Public Information Office at (214) 320-4480. Requests should be made at least two days prior to the public meeting. Every reasonable effort will be made to accommodate these needs. General questions or concerns regarding the hearing or transportation projects and programs that might affect bicycle use may contact Ms. Kathy Kleinschmidt, P.E. at (214) 320-6257.
