Notice of Proposed Installation Utility Line On TxDOT Highway Right of Way

To the Texas Transportation Commission
c/o District Engineer
Texas Department of Transportation
Dallas District, Texas

Date 9/30/2010
Application No. DAL20100929221332

Formal notice is hereby given that City of Irving
proposes to install a utility facility within the right-of-way of SH0183
in Dallas County, Texas as follows: (details are shown on page 2)

Abandonment and grouting of existing 12-water main along East Bound Frontage Road of SH 183 between 2950 W. Airport Frwy and Henry Drive as well as between 2326 W. Airport Frwy and William Brewster Street. Relocation and grouting of an existing 8-inch waste water main along the East Bound Frontage Road of SH 183 at 2116 Salem Street. Relocated waste water main will be installed in newly acquired City easement, but will require installation of a new manhole in SH 183 right-of-way just east of 2116 Salem Street.

The line will be constructed and maintained on the highway right-of-way as shown on the attached drawing and in accordance with the rules, regulations and policies of the Texas Department of Transportation (TxDOT), and all governing laws, including but not limited to the "Federal Clean Water Act," the "National Endangered Species Act," and the "Federal Historic Preservation Act." Upon request by TxDOT, proof of compliance with all governing laws, rules and regulations will be submitted to TxDOT before commencement of construction.

Our firm will use Best Management Practices to minimize erosion and sedimentation resulting from the proposed installation, and we will revegetate the project area as indicated under "Revegetation Special Provisions."

Our firm will ensure that traffic control measures complying with applicable portions of the Texas Manual of Uniform Traffic Control Devices will be installed and maintained for the duration of this installation.

The location and description of the proposed installation and appurtenances is more fully shown by 1 files containing drawings and other pertinent information uploaded to the website.

Construction will begin on or after October 6, 2010 and end on or before November 1, 2010.

I certify that I am authorized to represent the Firm listed below, and that our Firm agrees to the conditions/provisions included in this notice.
