

Installation Application  
Online version 4/2006

## Notice of Proposed Installation Utility Line On TxDOT Highway Right of Way

To the Texas Transportation Commission  
c/o District Engineer  
Texas Department of Transportation  
Dallas District, Texas

Date 5/22/2012  
Application No. DAL20120511162047

Formal notice is hereby given that NextEra FiberNet, LLC dba FPL FiberNet  
proposes to install a utility facility within the right-of-way of SH0183  
in Dallas County, Texas as follows: (details are shown on page 2)

**The scope of this project is to install one (1) fiber optic cable within existing conduit inside the TXDOT Right of way. This existing conduit runs parallel to SH0183 (on the South side). The start of this project and set up will be outside the TXDOT Right of Way in existing manhole. The existing manhole (Start) will be On the South East corner of SH0183 and W Valley View Ln. The existing manhole (End) will be on the North West corner of SH0183 and SH0161.**

The line will be constructed and maintained on the highway right-of-way as shown on the attached drawing and in accordance with the rules, regulations and policies of the Texas Department of Transportation (TxDOT), and all governing laws, including but not limited to the "Federal Clean Water Act," the "National Endangered Species Act," and the "Federal Historic Preservation Act." Upon request by TxDOT, proof of compliance with all governing laws, rules and regulations will be submitted to TxDOT before commencement of construction.

Our firm will use Best Management Practices to minimize erosion and sedimentation resulting from the proposed installation, and we will revegetate the project area as indicated under "Revegetation Special Provisions."

Our firm will ensure that traffic control measures complying with applicable portions of the Texas Manual of Uniform Traffic Control Devices will be installed and maintained for the duration of this installation.

The location and description of the proposed installation and appurtenances is more fully shown by 1 files containing drawings and other pertinent information uploaded to the website.

Construction will begin on or after May 14, 2012 and end on or before May 14, 2012.

I certify that I am authorized to represent the Firm listed below, and that our Firm agrees to the conditions/provisions included in this notice.
