## PROJECT FACT SHEET OVERVIEW

The SH 183 TEXpress Lanes span 13.7 miles, feature at least one lane in each direction and include new direct connect ramps between SH 183 and Loop 12 north.

This corridor provides drivers a choice, they can take the main-lanes at no cost or pay to use the TEXpress Lanes, which will be managed (see the "Cost" section for details) to keep traffic moving 50 mph or faster.

## PROJECT DETAILS

- **Opened:** Fall 2018
- **Project Description:** A minimum of one lane in each direction from west of Industrial Blvd. in Euless to west of Mockingbird Lane in Dallas.
- **Project Length:** 13.7 miles

## COST

The cost of the SH 183 TEXpress Lanes will change per a schedule (see page 2 for pricing) until approximately mid-2019. After this period, the pricing will transition into dynamic pricing, meaning the price will change based on congestion in the lane.

- Drivers without a toll tag pay a 50 percent surcharge over the toll tag rate.

- Activated HOV and motorcyclists with a valid toll tag pay half price on weekdays during peak hours (Monday - Friday, 6:30 am to 9 am and 3 pm to 6:30 pm)

### How to Register and Activate HOV:

Visit [www.DriveOnTEXpress.com](http://www.DriveOnTEXpress.com) or download the "Drive On TEXpress" app. Vehicles must have a TollTag, TxTag or EZ TAG to register.

# SH 183 TEXpress LANES – Price Chart (DURING SCHEDULED FIXED PERIOD)

Website: [www.TEXpressLanes.com](http://www.TEXpressLanes.com)

### PRICING NOTES:

**(1)** Toll tag rates shown for single occupancy vehicles with a valid tag (surcharges apply to vehicles without a valid tag).

**(2)** Two-axle vehicles and motorcycles with valid toll tags, that enroll and activate their HOV2+ status online (valid during peak period only), shall receive a 50 percent discount to the two-axle toll tag rate shown in the table, as per the Regional Transportation Council's Managed Lane Policy.

**(3)** A 50 percent surcharge over the toll tag rate is applied to the pay by mail rate.

**(4)** Scheduled fixed pricing applies until all three TEXpress Lanes facilities (SH 183, Loop 12 & SH 114) have been in operation concurrently for 6 months, and a dynamic pricing schedule will be applied thereafter.
