

PUBLIC MEETING NOTICE
New I-10 Collector-Distributor Lanes Project
From SH 20 (Mesa St.) to Executive Center Blvd.
El Paso County, Texas

The Texas Department of Transportation (TxDOT), El Paso District, will conduct a Public Meeting for the proposed I-10 improvement project on:

Tuesday, June 5, 2012
6:00 p.m. to 8:00 p.m.
City of El Paso Police Department
West Side Regional Command Center Community Room
4801 Osborne Dr., El Paso, Texas 79922

The Public Meeting will be conducted in an open house format. Those wishing to attend are encouraged to do so at their convenience between the hours of 6:00 p.m. and 8:00 p.m. Maps of the project area and other displays will be available for review and comment. TxDOT staff will be available to answer questions. All material will be presented in English and Spanish. No formal presentation will be given. Parking will be available on the street and in nearby parking lots.

The purpose of the meeting is to provide information about the proposed project and gather input from the public.

The proposed I-10 project is the construction of Collector-Distributor (C-D) lanes and improvements to the interchange at US 85. The proposed total project length is approximately 5.75 miles between SH 20 (Mesa Street) and Executive Center Boulevard. These improvements will minimize weaving movements and increase safety on the I-10 main lanes and interchanges. The C-D lanes will be constructed to the outside edge of the existing main lanes in both east and west directions connecting three interchanges. The existing direct connector at Resler Drive and the direct connector at Sunland Park Drive will be replaced with improved connectors. Minor improvements are also proposed for the existing interchange at Mesa Street, Sunland Park Drive and Executive Center Boulevard. Most of the proposed improvements will be completed within

the existing right-of-way; however, approximately 2 acres of additional right-of-way will be required for the project in commercial and undeveloped areas with no displacement of residences or commercial structures.

Persons interested in attending the Public Meeting that have special communication or accommodation needs are encouraged to contact the TxDOT El Paso District Public Information Officer, Blanca Del Valle, at (915) 790-4200 at least two working days prior to the meeting. TxDOT will make all reasonable efforts to accommodate other special needs as requested.

Written comments from the public regarding this project are encouraged. Comments may be presented either at the Public Meeting or in writing within 10 days after the meeting. Written comments may be mailed to the following address: **SLI Engineering, Inc.; Attn: I-10 C-D Project Coordinator, 6600 Westwind Drive El Paso, Texas 79912.**

Comments must be hand delivered or post marked on or before **Friday, June 15, 2012** to be included as part of the public record. If you have any questions or would like to discuss the project in more detail, please contact Mr. Eduardo Calvo, P.E., TxDOT Project Manager at (915) 790-4200.
