

### **Sign-In**

All meeting attendees are encouraged to sign-in. The sign-in sheets assist in keeping a record of attendance for this meeting and will help in evaluating the public interest for this project.

### **Meeting Purpose**

The purpose of this public meeting is to present the proposed design and gather public input for the proposed Mesa Park Interchange Project.

### **Project Description**

Traffic volume and congestion on the I-10 corridor has continued to increase due to population growth and economic development. Future population growth trends are expected to place even more traffic demand on the I-10 corridor. The proposed project improvements would meet this increased demand with the construction of the interchange at the proposed Mesa Park Drive. These improvements provide operational improvement to the I-10 facility and surrounding streets. The project will be constructed within existing right-of-way with no relocations or displacements. There may be minor amounts of additional right-of-way needed for corner clips at the Mesa Park Drive intersection.

### **Project Need**

- Lack of Direct Connectivity from I-10 to Adjacent Community Development

### **Project Purpose**

- To Improve Network Mobility by the Implementation of Operational Improvements

### **Open House Meeting**

This Public Meeting is to encourage and solicit public comments regarding the proposed I-10 Mesa Park interchange project. No formal presentation will be given, however project staff is present to answer any questions you may have regarding the project.

### **Written Comments**

Comment forms are located at the sign-in table. Forms completed tonight should be dropped into the comment box. Comment forms returned by mail should be mailed to:

**Stantec**  
**Attn: Mesa Park Project Coordinator**  
**601 Jefferson St. JE1640**  
**Houston, Texas 77002-7900**

Mailed comment forms must be postmarked no later than **Monday, June 20, 2016.**

Written comments may also be submitted electronically to [ELP\\_MesaPark@txdot.gov](mailto:ELP_MesaPark@txdot.gov) by **Monday, June 20, 2016.**
