Thank you for attending today's public meeting. The Texas Department of Transportation (TxDOT) welcomes you.

Today's public meeting is about the Doniphan Drive Corridor Plan. The Corridor Plan will document the community's vision for an 11-mile section of Doniphan Drive as it relates to future transportation and development along the corridor through 2040. One of the results of this process will be the identification of a set of improvements for short-, medium- and long-term implementation.

The purpose of the meeting is to share information and gather feedback on traffic conditions, safety, economic growth, needs and possible solutions within the Doniphan Corridor.

No formal presentation will be given.

DONIPHAN DRIVE CORRIDOR PLAN

FACT SHEET

The TxDOT El Paso District has recently initiated the development of a Corridor Plan for an 11-mile section of Doniphan Drive (State Highway 20) between the Texas/New Mexico state line and Mesa Street in El Paso.

Primary Objective

The Corridor Plan that will document the community’s vision for Doniphan Drive as it relates to future transportation and development along the corridor through 2040. One of the results of this process will be the identification of a set of improvements for short-, medium-, and long-term implementation. The development of this plan will be accomplished through a process including data collection, public outreach, analysis of current and future transportation needs, and identification of potential improvements.

Get Involved

Public engagement is a key element to the success of this Corridor Plan. The development of this plan will be accomplished over the next year through a process including coordination with public, stakeholders, elected/public officials, cities, counties and agencies. As the planning process proceeds, we will request public input at key coordination points throughout the development of the Doniphan Drive Corridor Plan.
