

EIS Public Hearing Comments

US 69/Loop 49 Lindale Reliever
Route

From IH 20 to US 69 north of
Lindale

CSJ: 0190-04-033

July 2014

Environmental Affairs Division

Background

Transportation Code §201.811(b) and 43 TAC §2.107(e)(2) both state that for a public hearing regarding an EIS, the project sponsor will document the number of positive, negative, and neutral public comments received. This information must be presented to the commission in an open meeting and reported on the department's website in a timely manner.

US 69/Loop 49 Lindale Reliever Route, Smith County

Tyler District, CSJ: 0190-04-033

A Public Hearing was held for the Lindale Reliever Route from IH 20 to US 69 north of Lindale on January 9, 2014.

Table 1

	Positive	Negative	Neutral
