

**TxDOT NOTICE OF PUBLIC MEETING
FOR THE PROPOSED IMPROVEMENTS OF
INTERSTATE HIGHWAY (IH) 30 FROM COOPER STREET TO SH 161**

The Texas Department of Transportation (TxDOT) Fort Worth District will conduct a Public Meeting on Tuesday, December 2, 2014 from 6:00 p.m. to 8:00 p.m. at the Hilton Arlington Hotel, 2401 E. Lamar Boulevard, Arlington, Texas 76006. The purpose of the meeting is to offer an opportunity for the public to discuss and make comments regarding proposed improvements to Interstate Highway (IH) 30 extending from Cooper Street to State Highway (SH) 161 including the SH 360 interchange area extending from Avenue K/Brown Boulevard to Road to Six Flags. Maps of the project area and other displays will be available for review and comment and TxDOT staff will be available to answer questions. The Public Meeting will be an open house format, allowing visitors to come and go at their availability.

The purpose of the proposed project is to provide a fully directional interchange to improve connectivity between IH 30 and SH 360 and to improve capacity for IH 30 by adding general purpose lanes and converting the existing concurrent Managed Toll/HOV lanes to a reversible two-lane Managed Toll/HOV facility. Proposed projects were previously environmentally approved in 2007 to provide the improved interchange between IH 30 and SH 360 and include a one-lane reversible Managed Toll/HOV facility along IH 30. This project is being developed to update the previous design to include a two-lane reversible Managed Toll/HOV facility along IH 30 through the interchange area. The proposed project is needed to address current and projected traffic demands and facility deficiencies. The proposed project would require approximately 17 acres of new ROW.

Written comments from the public regarding this project are requested through December 12, 2014 and will become part of the project documentation. Written comments may be submitted during the open house or either in person or by mail to the Texas Department of Transportation, Attention: Mr. Brian R. Barth, P.E., District Engineer, 2501 SW Loop 820, Fort Worth, Texas 76133.

All interested persons are invited to attend. For those unable to attend, you may view the layouts at the TxDOT Fort Worth District Office by contacting Mr. Nazrul Chowdhury, P.E. at (817) 370-6944. Persons interested in attending the Public Meeting who have special accommodation needs are encouraged to contact Ms. Tanya Fitzgerald at (817) 370-6610 at least three (3) work days prior to the Public Meeting. Since the meeting will be conducted in English, requests for language interpreters or other special communication needs should also be made at least three (3) work days prior to the Public Meeting. TxDOT will make every reasonable effort to accommodate these needs.
