**Notice of Public Hearing**  
**I-20 at Center Point Road Interchange and Frontage Roads**  
**From E. Bankhead Drive to Lakeshore Drive**  
**CSJs: 0314-07-046, 051, 052**  
**PARKER County, Texas**

Parker County, City of Hudson Oaks, and City of Weatherford in conjunction with the Texas Department of Transportation (TxDOT), as the lead agency are proposing to reconstruct and improve I-20 at the Center Point Road interchange and frontage roads from E. Bankhead Drive to Lakeshore Drive in Parker County, Texas. Pursuant to Texas Administrative Code, Title 43, Part 1, Chapter 2, Subchapter E, §2.107 and Code of Federal Regulations, Title 23, Chapter I, Subchapter H, §771.111 and Title 40, Chapter V, §1506, this notice advises the public that TxDOT will be conducting a public hearing on the proposed project. The hearing will be held on Tuesday, August 2, 2016, beginning 6:30 p.m. at the Weatherford High School cafeteria, 2121 Bethel Road, Weatherford, Texas 76087. Displays will be available for viewing at 6:00 p.m. with the formal presentation starting at 6:30 p.m. The purpose of the hearing is to present the planned improvements and to receive public comment on the proposed project.

The proposed project is needed to address current and projected traffic demands, safety, and existing facility design and operational deficiencies. The proposed project would complete the interchange and provide access for all traffic movements between I-20 and Center Point Road and provide continuous one-way frontage roads extending eastbound and westbound between E. Bankhead Drive and Lakeshore Drive. An additional Center Point Road Bridge would be provided and the existing two-way frontage road segments would be reconstructed to one-way.

The project would reconstruct the eastbound exit and westbound entrance with E. Bankhead Drive and the eastbound exit to Lakeshore Drive near the same locations the ramps currently exist. The westbound exit and eastbound entrance with E. Bankhead Drive would be relocated to the east near Center Point Road and four new entrance and exit ramps with auxiliary lanes would be constructed for access. The existing westbound exit and entrance ramps between Center Point Road and Lakeshore Drive will remain. The project is located in Parker County on the border of the City of Weatherford and City of Hudson Oaks. The total length of the project along I-20 is 3.4 miles.

The existing ROW within the project limits is approximately 153 acres. The additional ROW needed would include approximately 13.8 acres. The proposed project would displace seven structures including one owner occupied, five tenant occupied, and one un-occupied structure. Information about the TxDOT Relocation Assistance Program, benefits and services for displacees, as well as information about the tentative schedules for ROW acquisition and construction can be obtained from the TxDOT district office at the address listed below. Relocation assistance is available for displaced persons and businesses.

Anticipated impacts to stream channels that are waters of the U.S. would be less than 0.1 acre per crossing. No impacts to wetlands are anticipated. The impacts are anticipated to be authorized by the United States Army Corps of Engineers (USACE) under Nationwide Permit 14 for Linear Transportation Projects without a Preconstruction Notification. Portions of the proposed project would encroach or cross within the 100-year floodplains adjacent to Willow Creek and its tributaries. The proposed project would not raise the base flood elevation to a level that would violate applicable floodplain regulations or ordinances.

---

Layouts showing the project design and environmental reports, that will be available at the Public Hearing for viewing, are also now on file and available for inspection Monday through Friday between the hours of 8:00 a.m. and 5:00 p.m. through contacting Mr. David Neeley, P.E., Weatherford Area Engineer, Texas Department of Transportation, 1427 W. Bankhead, Weatherford, TX 76086 at (682) 229-2800. The documents are also available for viewing at Parker County, through contacting Mr. Joel Kertok, Project Coordinator, 1 Courthouse Square, Weatherford, TX 76086 at (817) 598-6166 or through the City of Hudson Oaks by contacting Mr. Chad Janicek, Assistant City Administrator, 210 Hudson Oaks Drive, Hudson Oaks, TX 76087, (682) 229-2400.

The materials that will be presented at the public hearing are also available for viewing and downloading online at [www.txdot.gov](http://www.txdot.gov) – key word search “Bankhead” “Center Point”.

Verbal and written comments from the public regarding the project are requested and may be presented at the hearing, or submitted in person or by mail to Mr. Brian R. Barth, P.E., District Engineer, TxDOT Fort Worth District, 2501 SW Loop 820, Fort Worth, Texas 76133. Comments must be received on or before August 12, 2016 to be part of the official hearing record.

The hearing will be conducted in English. Persons interested in attending the hearing who have special communication or accommodation needs, such as the need for an interpreter, are encouraged to contact Ms. Tanya Fitzgerald at (817) 370-6610. Requests should be made at least three (3) work days prior to the hearing. Every reasonable effort will be made to accommodate these needs.

If you have any general questions or concerns regarding the proposed project or the hearing, please contact Mr. David Neeley, P.E., Weatherford Area Engineer at (682) 229-2800.

The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S. Code Section 327 and a Memorandum of Understanding dated December 16, 2014, and executed by the Federal Highway Administration and TxDOT,.
