\$30.3 M Mobility Improvements for Future SH 121 Interchange

Existing Roadways
 Main Lane Construction
 Ramp Construction
 Frontage Road Construction
 CR 1216/SH 121/Nolan River Rd Construction

Mobility Improvements for future SH 121

Project 1 - \$12.8 M

- Expand US 67 to a four-lane divided highway in preparation of the future SH 121/Chisholm Trail direct connectors.
- Eliminate the at-grade jug handle connections at US 67 and SH 174 and replace them with direct on/off ramps.
- Opened in April 2011

Project 2 - \$17.5 M

- Extend expansion of US 67 to a four-lane divided highway.
- Extend construction of new frontage roads and access ramps.
