

NOTICE OF PUBLIC MEETING

FM 270: From FM 518 to FM 270

The City of League City in cooperation with the Texas Department of Transportation (TxDOT) will conduct a public meeting regarding the proposed roadway improvements to the intersection of FM 518, FM 270 and FM 2094, known locally as the Five Corners intersection in Galveston County. The meeting will be held on Thursday, July 23, 2015, at the Johnnie Arolfo Civic Center located at 400 West Walker in League City, Texas. The meeting will be held in an open house format from 5:30 p.m. to 7:30 p.m.

The purpose of the Public Meeting is to present the proposed roadway improvement project to the public and receive comments. The proposed project would construct new auxiliary turning lanes to create a four-legged intersection at the existing FM 518 and FM 2094 T-type intersection. Turning lanes from FM 270 would begin 300 feet northwest of FM 518, follow an existing local road, and then curve around the existing gas station to create a four-way intersection at the existing FM 518 and FM 2094. The new turning lanes would allow for the elimination of several high-volume turning movements at the existing intersection of FM 270 and FM 518. Approximately 1.2 acres of additional right-of-way (ROW) would be required for the proposed project and one commercial displacement is anticipated. The purpose of project is to reduce congestion and improve traffic operations at the intersection.

Exhibits showing aerial photography and schematic plans for the proposed project corridor will be available for review at the Public Meeting. This information will also be available by appointment for review Monday through Friday, from 8:00 a.m. to 5:00 p.m., excluding city, and state holidays at the TxDOT Houston District Office, 7600 Washington Avenue, Houston, and at the City of League City Engineering Department at 1535 Dickinson Avenue, League City. To schedule an appointment at the Houston District please contact Kitty Kwok, at (713) 802-5510. To schedule an appointment at the City of League City please contact Earl Smith, Director of Engineering, at (281) 554-1443.

All interested persons are invited to attend this public meeting. Written comments about this project may be submitted at the meeting. Written comments may also be submitted in person at the Houston District Office, 7600 Washington Avenue, Houston, Texas 77007, or mailed to the Director of Project Development, TxDOT Houston District, P.O. Box 1386, Houston, Texas 77251-1386, or emailed to HOU-PIOWebMail@txdot.gov. Comments must be postmarked or emailed on or before August 6, 2015.

The public meeting will be conducted in English. Persons interested in attending the meeting who have special communication or accommodation needs, or need an interpreter, are encouraged to contact TxDOT's Public Information Office at (713) 802-5072. Requests should be made at least two working days prior to the meeting. Every reasonable effort will be made to accommodate these needs.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.
