

## NOTICE OF PUBLIC MEETING

The Texas Department of Transportation (TxDOT) will hold a public meeting regarding the proposed reconstruction and widening of SH 105 from 10<sup>th</sup> Street in Conroe to Loop 105 located in Montgomery, San Jacinto, and Liberty Counties, Texas. The meeting will be held on Tuesday, December 1, 2015 at the Austin Elementary School Cafeteria, 14796 Highway 105 East, Conroe, Texas 77306. The meeting will be held in an open house format from 5:30 p.m. to 7:30 p.m. **No formal presentation will be made.**

The purpose of the public meeting is to present the proposed project to the public and receive comments. SH 105 is an east-to-west facility that serves as a major arterial for the distribution of traffic. The proposed project would widen this section of SH 105 from primarily a two-lane undivided roadway to a four-lane divided roadway with a curb and gutter along approximately 90 percent of the proposed project, with outside shoulders and open ditches for only the eastern most section of its length. The purpose of the proposed project is to improve the operational efficiency and safety of this section of SH 105.

The proposed improvements would require approximately 48 acres of additional right-of-way (ROW). Residential and commercial displacements may occur as a result of the proposed project. Personnel from the TxDOT ROW Section will be available to discuss TxDOT's Relocation Assistance Program that provides benefits and services for those that may be displaced, as well as other ROW concerns.

Maps and other drawings showing the proposed project's location, geometric design, and environmental constraints will be available for viewing at the public meeting. This information will also be available for review by appointment Monday through Friday between the hours of 8:00 a.m. and 5:00 p.m., excluding State holidays, at the TxDOT Houston District Office located at 7600 Washington Avenue, Houston, Texas 77007.
