## IH 610 WEST LOOP EXPRESS LANES PUBLIC MEETING

## Project Needs

- High Level of Congestion (One of the most Congested Highways in Texas)
- Lack of Mobility
- Inefficient Operations
- Safety

## Project Purpose

The purpose of the proposed IH 610 West Loop express lanes is to decrease traffic congestion, increase mobility, and improve operational efficiency and safety along IH 610 West Loop within the Uptown/Galleria area of the City of Houston.

**Construct elevated express lanes primarily down the center of IH 610 West Loop mainlanes from IH 10 West to IH 69 (US 59) South (approximately 3.8 miles). The express lanes may be tolled.**

**The proposed elevated express lanes would be constructed within the existing right-of-way.**

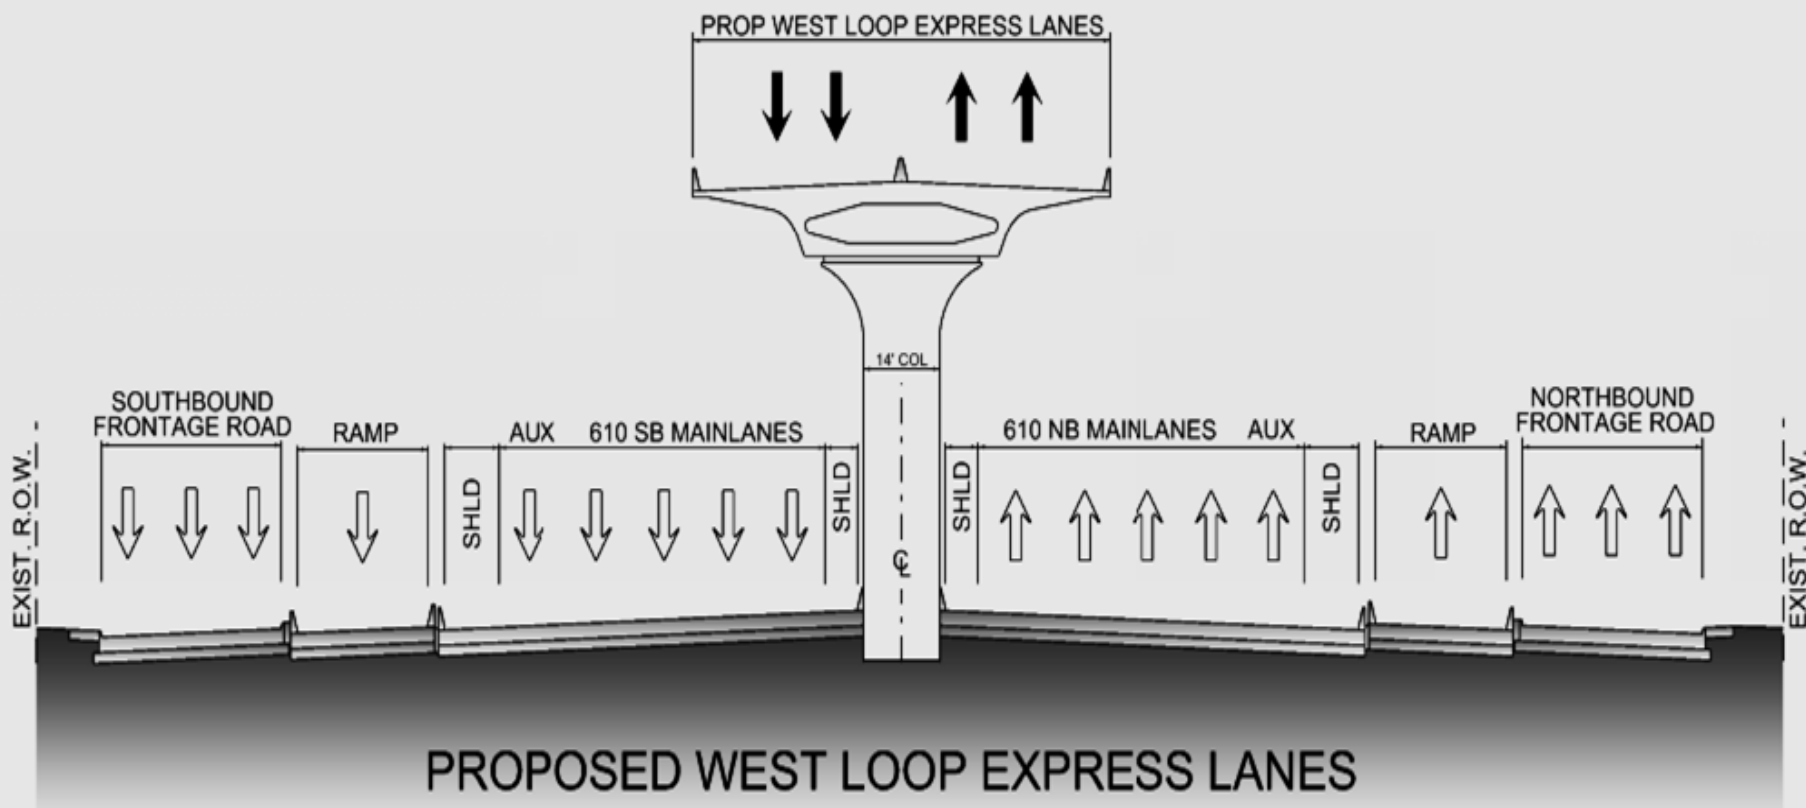

**Total Estimated Project Cost: \$250 M**

**Construction Timeline to be Determined  
as Funding Becomes Available**

# Proposed Typical Section

## How to Comment

All comments must be submitted by **December 28, 2015**.  
Comments may be provided tonight at this Public Meeting,  
by mail, by email, or online.

**Submit Comments TONIGHT:  
In the Comment Box**

**Submit Comments by MAIL to:  
TxDOT Houston District  
Director of Project Development
