TxDOT SH 288 Toll Lanes Project in Harris County

Dear Interested Colleagues:

The Texas Department of Transportation Request for Qualifications (RFQ) for the TxDOT SH 288 Toll Lanes Project in Harris County from US 59 to the Harris County line at Clear Creek is now released and posted on the TxDOT website for your information.

The Texas Department of Transportation welcomes all Qualification Statements and is looking forward to working with the shortlisted proposers identified within the next phase of the procurement process.

Sincerely,

for Eddie Sanchez, P.E.
Houston Strategic Projects Director
Texas Department of Transportation
