PROJECT VICINITY MAP

Locations of Proposed Design Changes:
Reading Road and
FM 762

PROPOSED PROJECT DESIGN CHANGES

US 59 & Reading Road:

- US 59 mainlanes would go over Reading Road
 - Reading Road constructed at-grade and connected to US 59 frontage roads
 - Existing access roads on west side of intersection removed
 - Existing northeast access road by Brazos Town Center reconfigured
- US 59 ramp configurations

US 59 & FM 762:

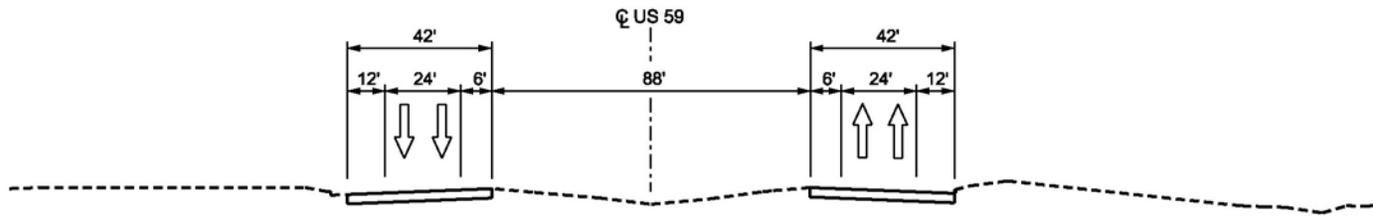

- US 59 mainlanes and frontage roads would go over FM 762 and railroad
 - Existing FM 762 and railroad still remain
 - Proposed access roads redesigned
- US 59 ramp configurations
- Improvements to park & ride facilities on north and south sides of US 59
 - New access road connecting north and south facilities
 - Improved access to north and south facilities
- No displacements
- Reduced right-of-way requirements
