List of Figures	iii
List of Tables.....	viii
List of Acronyms	xi
Executive Summary	ES-1
Chapter 1. Introduction.....	1-1
1.1 Purpose of Study	1-1
1.2 Decision-Making Structure.....	1-2
1.3 Scope of Work.....	1-3
1.4 Stakeholder Participation.....	1-5
1.5 Definition of Planning Horizons and Study Area.....	1-7
1.6 Data Collected	1-9
1.7 Reaching Consensus	1-12
1.8 Organization of the Report.....	1-12
Chapter 2. State of the Practice for POE and Transportation Infrastructure	
Planning.....	2-1
2.1 Transportation Border Infrastructure Planning Practices: United States	2-2
2.2 Transportation Infrastructure Planning Practices: Mexico	2-11
2.3 Cross-Border Planning Practices for Transportation Infrastructure and POEs	2-17
2.4 POE Planning Practices: United States	2-18
2.5 POE Planning Practices: Mexico	2-21
2.6 Summary of Planning Processes and Practices for New POEs	2-26
2.7 Project Selection, Prioritization, and Funding	2-27
2.8 Public Participation.....	2-37
2.9 Other Study Area Considerations	2-40
2.10 Concluding Remarks	2-45
Chapter 3. Demographic, Socio-economic, and Land Use Profile.....	3-1
3.1 U.S. Demographic and Socio-economic Characteristics.....	3-1
3.2 U.S. Trade Corridors.....	3-9
3.3 Mexico’s Demographic and Socio-economic Characteristics	3-14
3.4 Mexico’s Trade Corridors	3-26
3.5 Bi-national Trade Corridors	3-32
3.6 Concluding Remarks	3-33

Chapter 4. Current POEs and Related Transportation Facilities 4-1

 4.1 Cameron County/Municipality of Matamoros 4-5

 4.2 Hidalgo County/Municipalities of Valle Hermoso, Reynosa, and Díaz
 Ordaz 4-45

 4.3 Starr County/Municipalities of Camargo and Miguel Alemán..... 4-83

 4.4 Zapata County/Municipality of Guerrero 4-104

 4.5 Rail Infrastructure in Focused Study Area..... 4-105

Chapter 5. POE and Transportation Infrastructure Priorities 5-1

 5.1 Prioritization Framework 5-1

 5.2 Project Prioritization/Ranking..... 5-5

 5.3 Cameron County 5-5

 5.4 Hidalgo County 5-13

 5.5 Starr County 5-22

 5.6 Zapata County 5-26

 5.7 Municipality of Matamoros..... 5-26

 5.8 Municipality of Valle Hermoso..... 5-30

 5.9 Municipality of Río Bravo..... 5-30

 5.10 Municipality of Reynosa 5-31

 5.11 Municipality of Gustavo Díaz Ordaz..... 5-34

 5.12 Municipality of Camargo..... 5-34

 5.13 Municipality of Miguel Alemán 5-37

 5.14 Municipality of Mier..... 5-37

 5.15 Municipality of Guerrero 5-39

 5.16 Planned U.S. Projects in Focused Study Area..... 5-39

 5.17 Planned Mexico Projects in Focused Study Area 5-49

Chapter 6. Lessons Learned and Recommendations..... 6-1

 6.1 Lessons Learned 6-1

 6.2 Recommendations..... 6-4

Appendix A – Charter and Membership Form

Appendix B – PAC and TWG Membership

Appendix C – Work Plan

Appendix D – Meeting Agendas and Minutes

Appendix E – Criteria Definitions and Scoring Metrics

Appendix F – Ranking Spreadsheets

List of Acronyms

- AADT—Average Annual Daily Traffic
- AAGR—Average Annual Growth Rate
- ADT—Average Daily Traffic
- Aduanas—Administración General de Aduanas
- API—Administración Portuaria Integral, S.A. de C.V.
- APP—Annual Performance Plan
- ARRA—American Recovery and Reinvestment Act of 2009
- BBBXG—Binational Bridges and Border Crossings Group
- BMPO—Brownsville Metropolitan Planning Organization
- BND—Brownsville Navigation District
- BNSF—Burlington Northern Santa Fe
- BOP—Border Pacific Railroad
- BRAC—Base Realignment and Closure
- BRG—Brownsville and Rio Grande International Railroad
- BSP—Bilateral Strategic Plan
- CAGR—Compound Annual Growth Rate
- CAPUFE—Camino y Puentes Federales de Ingresos y Servicios Conexos
- CBD—Central Business District
- CBI—Coordinated Border Infrastructure
- CBP—U.S. Customs and Border Protection
- CCRMA—Cameron County Regional Mobility Authority
- CDA—Comprehensive Development Agreement
- CHPP—Congressional High Priority Projects
- CMAQ—Congestion Mitigation and Air Quality
- CODEIM—Comité de Desarrollo Inter-municipal
- CONAPO—Consejo Nacional de Población
- CONASAMI—Comisión Nacional de los Salarios Mínimos

CPS—Classroom Performance System

CRIS—Crash Records Information System

CTR— The University of Texas at Austin’s Center for Transportation Research

DGDC—Dirección General de Desarrollo Carretero

DHS—Department of Homeland Security

DOT—Department of Transportation

E.O.—Executive Order

EIS—Environmental Impact Statement

ESC—U.S.-Mexico Executive Steering Committee

FARAC—Fideicomiso de Apoyo al Rescate de Autopistas Concesionadas

FAST—Free and Secure Trade

FHWA—Federal Highway Administration

FM—Farm to Market

FMCSA—Federal Motor Carrier Safety Administration

FONADIN—Fondo Nacional de Infraestructura

FONSI—Finding of No Significant Impact

FYHSP—Future Years Homeland Security Program

GIWW—Gulf Intracoastal Waterway

GSA—General Services Administration

Hazmat—Hazardous Material

HBP—Federal Highway Bridge Program

HCM—Highway Capacity Manual

HCMPO—Hidalgo County Metropolitan Planning Organization

HID—Hughes Identification Devices Global, Inc.

HRRR—Federal High Risk Rural Roads

HSBMPO—Harlingen-San Benito Metropolitan Planning Organization

HSIP—Federal Highway Safety Improvement Program

IBWC—International Boundary and Water Commission

ICE—U.S. Immigration and Customs Enforcement

IMPLAN—Instituto Municipal de Planeación
INDAABIN—Instituto de Administración y Avalúos de Bienes Nacionales
INEGI—Instituto Nacional de Estadística y Geografía
IPG—Integrated Planning Guidance
ISTEA—Intermodal Surface Transportation Efficiency Act of 1991
ITS—Intelligent Transportation Systems
JWC—U.S./Mexico Joint Working Committee
KCS—Kansas City Southern
KCSM—Kansas City Southern de México
LEED—Leadership in Energy and Environmental Design
LNG—Liquefied Natural Gas
LPG—Liquefied Petroleum Gas
LOS—Level of Service
LPOE—Land Port of Entry
MAP-21—Moving Ahead for Progress in the 21st Century Act
MCMP—Multimodal Corridor Master Plan
MEX—The Federal highway system in Mexico is denoted with the acronym MEX.
MI—Merida Initiative
MPO—Metropolitan Planning Organization
MPP—Metropolitan Planning Process
MTP—Metropolitan Transportation Plan
MXN—Mexican Pesos
NAFTA—North American Free Trade Agreement
NEPA—National Environmental Policy Act
NII— Non-intrusive Inspection
OMB—Office of Management and Budget
OS/OW—Oversize/Overweight
PAAC—Port Authority Advisory Committee
PAC—Policy Advisory Committee

PEMEX—Pétroleos Mexicanos
POE—Port of Entry
POV—Privately Owned Vehicles
PP—Presidential Permit
PPP—Public Private Partnership
PR—Park Road
PS&E—Plans, Specification, and Estimates
RAD—Resource Allocation Decision
RAP—Resource Allocation Plan
RFID—Radio Frequency Identification
RGS—Federal Railroad Grade Separation Program
RHG—Romero Hicks and Galindo Abogados
RMA—Regional Mobility Authority
RTP—Rural Transportation Plan
RVSC—Rio Valley Switching Company
SAFETEA-LU—Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users
SAT—Servicio de Administración Tributaria
SCT—Secretaría de Comunicaciones y Transportes
SEDESOL—Secretaría de Desarrollo Social
SENTRI—Secure Electronic Network for Traveler’s Rapid Inspection
SHCP—Secretaría de Hacienda y Crédito Público
SLRTP—Statewide Long-Range Transportation Plan
SOP—Secretaría de Obras Públicas del Estado de Tamaulipas
SOS—Secretary of State
SRA—Strategic Resource Assessment
SRE—Secretaría de Relaciones Exteriores
SRTS—Federal Safe Routes to School
SS—State Spur

STIP—Statewide Transportation Improvement Program

SWOT—Strength/weaknesses/opportunities/threats

TAM— The State of Tamaulipas highway system in Mexico is denoted with the acronym TAM

TE—Transportation Enhancements

TEA-21—Transportation Efficiency Act for the 21st Century

TIP—Transportation Improvement Program

TMA—Transportation Management Areas

TRTP—Texas Rural Transportation Plan

TTC—Texas Transportation Commission

TTI—Texas A&M Transportation Institute

TWG—Technical Working Group

TxDOT—Texas Department of Transportation

UPRR—Union Pacific Railroad

U.S.—United States of America

US\$—U.S. Dollars

USDA—U.S. Department of Agriculture

USDOS—U.S. Department of State

USDOT—U.S. Department of Transportation

USTDA—U.S. Trade Development Agency

UTP—Unified Transportation Program
