

**NOTICE AFFORDING AN OPPORTUNITY FOR PUBLIC HEARING  
TEXAS DEPARTMENT OF TRANSPORTATION  
US 385  
From FM 300 to 1.86 miles south of FM300  
CSJ: 0227-06-024  
Hockley County, Texas**

The Texas Department of Transportation (TxDOT) is proposing to widen US 385 (Avenue H) from FM 300 (Clubview Drive) to 1.86 miles south of FM 300 in Levelland and Hockley County, Texas. The total distance of the project is approximately 1.86 miles. Pursuant to Texas Administrative Code, Title 43, §2.106, this notice is affording an opportunity for a public hearing on the proposed project. The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.

The existing facility is a two-lane rural-type roadway with two 13-ft. lanes and 8-ft. shoulders. The existing right-of-way (ROW) width is approximately 120 feet. The proposed activities will consist of constructing four 11-ft. travel lanes and a 14-ft. center turn lane with 8-ft. shoulders for the first 0.9-miles then will taper down to two 12-ft. travel lanes and a 14-ft. center turn lane with 9-ft. shoulders for 0.2-miles. The project would taper down again to the original 2 lanes to the end of the project. No new ROW would be required for this project; therefore, there will be no displacements of residences or commercial businesses.

Any environmental documentation or studies, maps showing the project location, design, tentative construction schedules, and other information regarding the project are on file and available for inspection Monday through Friday between the hours of 8:00 a.m. and 5:00 p.m. at the TxDOT Lubbock District Office located at 135 Slaton Road, Lubbock, TX 79404, (806) 748-4406.

Any interested citizens may request a public hearing covering the social, economic and environmental effects of the proposed location and design for this project. Requests for a public hearing must be submitted in writing on or before December 30, 2016, to the TxDOT Lubbock District Office, Shelley Harris, P.E., District Design Engineer, 135 Slaton Road, Lubbock, TX 79404.

Additionally, any comments referring to the proposed project can be submitted to the above address. If you have any general questions or concerns regarding the proposed project or the opportunity for the public hearing contact Shelley Harris, P.E. at 806-748-4406 or [shelley.harris@txdot.gov](mailto:shelley.harris@txdot.gov).

*The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.*
