CHAPTER 6.
TITLING VEHICLES

CAVEAT: This section is presented as a courtesy and a very basic primer and may not reflect the most recent law changes. Questions for more detailed information on titling and registering vehicles should be directed to the Texas Department of Motor Vehicles’s Vehicle Titles & Registration Division (VTR) at (512) 465-7611 or the local County Tax Assessor-Collector. Information regarding Salvage Dealer Licensing may be obtained by contacting the Vehicle Titles & Registration Division Salvage Licensing Unit at (512) 374-5010 Option 4 and information regarding the issuance of salvage documents may be obtained by contacting the Vehicle Titles & Registration Division customer Help Desk at (512) 465-7611, Special Registration Branch at (512) 374-5010 Option 2. Copies of the forms mentioned here may be obtained from the Country Tax Assessor-Collector’s offices, Vehicle Titles & Registration Division Regional Offices or from TxDMV’s website (www.TxDMV.gov). To see a list of motor vehicle Title and Registration forms, go to:

http://www.dmv.state.tx.us/whatyouneed/forms/titles_registration.htm

For a list of VTR Regional Offices, go to:

6.1 Wholesale Sales. When a dealer sells a vehicle wholesale, care should be taken to make sure that the title is provided to the new dealer and that the selling dealer has legibly printed the selling dealership’s name in the proper place for reassignments. This will insure that the selling dealer is in the chain of title. By law, no one is allowed to sell a vehicle if they do not have possession of the title. A copy of the front and back of the title should be kept by the seller to meet the record requirements. Any other documents such as registration receipts should also be forwarded to the new owner.

6.2 Dealer must transfer, not customer. As a dealer, if you sell a motor vehicle to a consumer, you must complete all the documents that are necessary to title and register the vehicle in the consumer’s name. The consumer is not allowed to handle the title transfer. The dealer must file the paperwork with the county tax assessor-collector’s office within 20 working days of the date of sale. The seller of a motor vehicle sold in a seller-financed sale shall apply for the registration of, and a Texas certificate of title for, the motor vehicle in the name of the purchaser to the appropriate county tax assessor-collector not later than the 45th day after the date the motor vehicle is delivered to the purchaser. If a consumer goes to the tax assessor-collector’s office to transfer the title of a motor vehicle purchased from a dealer, the office will notify MVD and a complaint will be filed against the dealer.

There are three places a vehicle may be titled and registered:

♦ In the county where the sale took place;
♦ In the county of the buyer's residence;
♦ In the county of the lienholder.
The buyer must designate which one of the three locations their vehicle is to be titled and registered. The dealer is required to have the buyer complete a form VTR -136, and keep this form in the sales file.

6.3 Exception to Dealer Transfers. By law dealers are required to do the titling and registering of vehicles they sell. However, there are exceptions where the dealer may give the paperwork to the buyer to handle. Those exceptions include the sale of:

- vehicles that have been declared a total loss;
- salvage and non-repairable vehicles that have been rebuilt;
- vehicles purchased by out-of-state residents who are leaving the state immediately;
- vehicles sold to out-of-state or foreign residents or dealers;
- vehicles sold to exempt (governmental) agencies;
- trucks over 11,000 pounds gross weight;
- trailers weighing less than 4,000 lbs. gross weight.

6.4 Taking Assignment on Titles. When a dealer receives a vehicle in trade, or purchases a vehicle from the auction, another dealer, or a consumer, the dealer should make sure the dealership's name and address is entered as the buyer on the back of the title above the line marked "Name of Purchaser." When the seller signs the back of the title and the buying dealer's name is not entered, this is known as an "open title." Dealers are expressly forbidden to hold open titles under Rule 8.141(a)(13).

6.5 Odometer Statements. Out-of-state titles and any other types of documentation not having the proper odometer statement also require a separate odometer disclosure statement provided the motor vehicle is not exempt from disclosure requirements.

6.6 Applying for Title. Three items are needed to apply for a Texas title:

- Ownership document – this can be the title if transferring a title for a used motor vehicle. Franchised dealers selling new vehicles will have an MCO.
- Registration receipt – only if the registration is current.
- Title application.

6.7 Ownership Documents. Make sure that the vehicle described on the title or MCO matches the vehicle you are actually selling. Check the VIN on the title against the VIN on the vehicle. Make sure the vehicle is the proper model, body type, etc. as stated on the title. Make sure all names are spelled correctly and the person who sold the vehicle to you is the same one on the title.

6.8 Determine the type of vehicle. If the Texas title conforms to the federal odometer requirements (issued after 4/29/90), then all information on the assignment must be completed if the vehicle is subject to the Federal Truth in Mileage Act. Vehicles that are exempt include:
Vehicles with a gross weight of 16,000 pounds or more or in excess of 2 tons carrying capacity;
- Vehicles that are not self-propelled (such as trailers);
- Vehicles ten model years old or older (figured by subtracting ten from the current calendar year);
- Vehicles owned by a United States governmental agency;
- New motor vehicles prior to the first retail sale (in this situation, the MCO would be the ownership document).

b. Other forms. Make sure that any reassignment document (Form VTR-41-A) or power of attorney (Form VTR-271-A) indicates the same information that is on the title. Out-of-state titles and any other type of documentation not having the proper odometer statement will require a separate odometer disclosure statement (Form 40). If the title is from out of state an Out-of-State Vehicle Inspection Certificate, Department of Public Safety (DPS) Form VI-30, is also required.

Make sure that all available reassignment spaces on the back of a Texas title are used before using the Dealer Reassignment (Form VTR-41-A).

c. The secure power of attorney form. There are only two conditions when the use of the secure power of attorney form is appropriate.
- when the title is held by the lienholder, and;
- when the title is lost.

d. Liens. If a lien is recorded on the surrendered evidence of ownership then a lien release would be required unless that lien is being carried forward on the new title application. If a lien is being carried forward and a transfer of ownership is involved, written authorization from the lienholder is required. The date on the lien release must be the same date or after the power of attorney date. If a secure power of attorney (POA) accompanies a title recording a lien, the release of lien date must be the same as the date the POA was executed or after. On out-of-state titles, make sure the date of the release of lien is included in the release.

If there is an electronic title with a lien, notify the lienholder that you request a paper title and one will be mailed to you when you pay off the lien.

6.8 Documentation Required for Foreign/Imported Vehicles. The state requires certain documentation for the registration and titling of foreign vehicles. However, a dealer should always check with their local county tax office as many may require additional documents. The requirements of the Texas Department of Transportation are:

a. An Out-of-State Vehicle Inspection Certificate, DPS Form VI-30, properly executed by a Texas official state approved safety inspection station will be required on all vehicles imported into the United States.
b. The Inspection Report on the bottom of the Application for Assigned or Reassigned Number, Form VTR-68-A, must be executed by a law enforcement officer who is a member of one of the following agencies: Municipal Police Auto Theft Unit; County Sheriff’s Department Auto Theft Unit; Federal Bureau of Investigation; Texas Department of Public Safety, Motor Vehicle Theft Services; the National Insurance Crime Bureau (NICB) or Auto Theft Prevention Authority Auto Theft Task Force. If the auto theft unit of a county or municipal law enforcement agency conducts the inspection a fee of $40 may be imposed to defray the agency's cost.

c. A weight certificate will be required on all imported commercial motor vehicles with a carrying capacity in excess of one (1) ton.

d. Proof of compliance with applicable US Department of Transportation (USDOT) safety requirements and US Customs entry/clearance documentation, if applicable. If the vehicle is imported under bond, an original bond release letter from the USDOT (with all attachments referred to in the letter, if any) will be required; otherwise, a validated application for Importation of Motor Vehicles and Motor Vehicle Equipment subject to Federal Motor Vehicle Safety, Bumper and Theft Prevention Standards (US DOT Form HS-7) must accompany such document. NOTE: In lieu of the bond release letter, a bond release verification letter issued by USDOT is acceptable.

e. All foreign vehicles imported into Texas that are less than ten years old are subject to odometer requirements.

f. A receipt or certificate issued by the U. S. Department of Treasury showing that any and all gas guzzler taxes due on the vehicle have been fully paid, if applicable. A copy of the IRS Form 720 that was filed by the applicant accompanied by a copy of the canceled check will also be acceptable proof of payment of the tax, if applicable.

6.9 Title Application. The title application (Form 130-U) should be filled out carefully and completely before filing at the tax office. Be sure to make a copy of the completed application for your records. Make sure that:

♦ the vehicle description is correct and complete, including the odometer reading;
♦ the applicant information is complete. The social security number should no longer be obtained since Section 501.0235, Transportation Code, was repealed by the 81st legislature;
♦ lienholder information if applicable, is current, and the lien date is included. If the lienholder requests an electronic title be sure to include the Certified Lienholder’s eleven digit ID Number and answer “Yes” to Electronic Title Request? ;
♦ odometer disclosure is accurate;
♦ sales tax statement has been calculated properly;
- both the buyer and seller have signed the application (Comptroller requires seller's signature).

6.10 The Title Application Receipt. After you have filed the application for title and registration, you will receive a receipt from the tax office known as the "white slip" (VTR-500-RTS). This form is an important document, because it proves you applied for the title and paid the proper fees and taxes. Many financial institutions require a white slip before they will release funds. Make sure you protect this document and keep the original or a copy in your sales records.

IT IS VERY IMPORTANT TO CHECK THE TITLE APPLICATION RECEIPT PREPARED BY THE TAX OFFICE BECAUSE WHATEVER APPEARS ON THE RECEIPT IS WHAT WILL BE PRINTED ON THE TITLE. ANY ERRORS, ESPECIALLY OMISSION OF LIEN INFORMATION, MUST BE CAUGHT WITHIN 24 HOURS; OTHERWISE, A COURT ORDER WILL BE NEEDED TO STOP TITLE ISSUANCE.

Titles are issued by TxDMV usually within 5 days of receipt of the paperwork from the County. If an electronic lien title is requested a paper title is not issued.

6.11 Vehicle Registration. A copy of the current registration receipt should accompany the title papers when you file at the tax office. Determine whether the registration is current on the vehicle. If the Texas registration is current, then a $2.50 transfer fee will apply. If the registration has expired, then full registration fees will be due at the time the transaction is filed. For the exact amount of the registration fee, call your local county tax office.

6.12 Title and Registration in Another State. Once in a while you will get a customer who wants you to title and register the vehicle in another state for them so they will not have to bother with it. If you sell vehicles out of state on a regular basis it may be economical for you to buy the two volume set entitled "Motor Vehicle Registration Manual" published by The Polk Company, 26955 Northwestern Hwy, Southfield, Michigan 48033, (248) 728-7000. This set describes in detail titling and registration procedures in all the states.

6.13 Handling the Out of the Ordinary Title Situation. If you find you do not have negotiable evidence of ownership or the documentation is not sufficient to apply for title (such as an assignment missing or incomplete), three options exist to transfer title.

a. Tax Collector Hearing. This can be initiated at the county, however the tax collector has discretion to send a customer to the VTR Regional Office to review the documentation first. Upon receiving a request for a hearing, the tax collector sets the date for the hearing, which shall not be less than 10 days or more than 15 days from the date of request. When the tax collector sets the date for a hearing, he/she shall notify all parties that might appear to have an interest in the vehicle in question, including the owner and lienholder of record. After
hearing the evidence presented by all parties, the tax collector will decide whether title should be issued to the applicant. TxDMV abides by this decision. All evidence presented at the hearing is attached to the order and submitted with the title application to TxDMV, if the tax collector has granted title.

b. Bonded Title Process. This must be initiated at the VTR Regional Office. This process provides an alternative to a tax collector's hearing. The "Statement of Fact" (Form VTR-130-SOF) should be completed by the applicant in order to provide the circumstances of how and from whom the vehicle was obtained. A letter is prepared by the VTR Regional Office outlining the proper procedure with blind copies sent to the owner and lienholder of record and any other interested parties. A Certificate of Title Surety Bond is purchased by the applicant and submitted to the county tax office along with any other documentation. The bonded title procedure cannot be used for abandoned vehicles, vehicles subject to storage or mechanic's lien, stolen vehicles, or vehicles involved in litigation.

c. Court Order. A suit may be filed in the County or District Court in an effort to obtain a court order directing TxDOT to issue title.

6.14 When Title is Lost, Getting a Certified Copy of the Title. If a dealer takes a trade and the consumer does not have the title, the dealer should get the owner to either go through one of the three methods mentioned above, or they may apply for a certified copy of title. TxDMV may issue a certified copy of title only to the recorded owner(s), lienholder(s), or a verified agent. An application presented to the Department by anyone other than those listed will be rejected.

The recorded owner(s) or lienholder(s) may obtain a certified copy of title only upon presentation of properly executed documents and valid personal identification which includes a photograph, issued by an agency of this state or the United States.

In the case of joint ownership, both owners must provide photo ID.

A verified agent of the owner(s) or lienholder(s) may obtain a certified copy of title only upon presentation of properly executed documents, valid personal identification which includes a photograph, and verifiable proof that they are an agent for the owner(s) or lienholder(s). Verifiable proof may consist of a business card, copy of employee identification, or a letter of signature authority on original letterhead. If a power of attorney (POA) is used, the photo ID of the person appointing the POA is also required.

Any questions regarding certified copy of title issuance should be directed to your local VTR Regional Office.

6.15 Forging Title Documents is a Felony. Under §501.155 of the Texas Transportation Code, it is a third-degree felony for a person to knowingly provide false or incorrect information, or sign the name of another person without legal authority on a
title application, an application for a certified copy of title, an assignment of title, a discharge of lien, or any other document required by the department or necessary to the transfer of ownership of a motor vehicle. Do not sign your customers’ names to power of attorneys or title applications. Get the paperwork signed while the customer is in the office or call them back to do so. All dealers want to make it easy for their customers, but many complaints received by VTR come from consumers saying they never gave permission to the dealer to sign certain documents.

6.16 The Most Common Reasons Title Transactions are Rejected.
- **Vehicle Information** (year, make, and/or VIN incorrect)
- **Owner Information** (owner’s name and address incorrect, signatures omitted)
- **Liens** (omitted, not carried forward, not released)
- **Odometer** (brand and readings incorrect)
- **Tonnage** (carrying capacity and/or empty weight incorrect)
- **Title Record** (later title record has been issued)
- **Vehicle Transfer** (incorrect vehicle transferred)
- **Surrendered Evidence** (mismatched or missing evidence)
  - **Bonded Title** (incomplete information, such as signature, date, etc.)
  - **Title Remarks** (remark omitted, not carried forward, i.e., Reconstructed, Flood)

6.17 Standard Presumptive Value. Dealers may charge a buyer a fee for performing the service of providing a certified appraisal on a vehicle which they bought from an individual. The Comptrollers office by rule have set the fees for such appraisals and for most vehicles, a dealer can charge from $100 to no more than $300 for a certified appraisal. A dealer’s certified appraisal of a motorcycle can cost from $40 to $300, and a dealer appraisal of a house trailer, travel trailer or a motor home can cost from $100 to $500. Comptroller Form 14-128, Used Motor Vehicle Certified Appraisal Form, is available on Window on State Government at [http://www.window.state.tx.us/taxinfo/taxforms/14-forms.html](http://www.window.state.tx.us/taxinfo/taxforms/14-forms.html)

6.18 How to Get More Information on Titling and Registration. The Vehicle Titles and Registration Division publish two manuals, one on titling and one on registration of vehicles. Both of these manuals include instructions on how to title or register a vehicle and are updated regularly. These manuals can be found on the department’s web site.

Forms can be downloaded from the Internet. Go to the TxDMV web page at [http://www.txdmv.gov/](http://www.txdmv.gov/), and click on Forms.
