

The Texas Department of Transportation (TxDOT) Odessa District requests your attendance at a public meeting for proposed improvements to Interstate Highway (IH) 20 between Loop 250 and State Highway (SH) 349/Farm-to-Market (FM) 1788, in Midland County, Texas. The public meeting is scheduled for:

5:00 PM to 7:00 PM, Tuesday, December 1, 2015
Midland Horseshoe, Education Building,
5214 Arena Trail, Midland, TX 79701

The purpose of the meeting is to provide information about the proposed improvements and gather input from the public. Maps of the project area and other displays will be available for review and comment. TxDOT staff will be available to answer questions. The meeting will consist of an open house from 5:00 PM to 6:00 PM, followed by a brief presentation and a question-and-answer session.

The Odessa District of TxDOT proposes to improve a segment of the IH-20 corridor between Loop 250 and State Highway (SH) 349/Farm-to-Market (FM) 1788, in Midland County. The purpose of the proposed project is to improve access to and from the industrialized area serviced by CR 1250, and reduce congestion at the north frontage road intersections of IH 20 at LP 250, and IH 20 at FM 1788 by reducing the freight component of traffic at these intersections.

Persons interested in attending the meeting who have special communication or accommodation needs, including the need for language interpreters, are encouraged to contact the TxDOT Odessa District Public Information Office at (432) 498-4746 at least two working days prior to the meeting. TxDOT will make every reasonable effort to accommodate these needs.

Verbal and written comments from the public regarding these improvements are encouraged. Comments may be submitted either at the public meeting or in writing within 10 days after the public meeting and must be postmarked by December 15, 2015, to be included as part of the official public record. For additional information, please contact Gene Powell Jr, TxDOT, 3901 East US Highway 80, Odessa, TX 79761 by telephone at (432) 498-4746, or email Gene.Powell@txdot.gov.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.
