

Notice of Availability

Finding of No Significant Impact

FM 2220 (Ware Road)

From Auburn Avenue (Mile 5) to FM 1924 (Mile 3/Buddy Owens)

McAllen, Hidalgo County, Texas

CSJ: 2094-01-038

This notice is to advise the public that the Texas Department of Transportation (TxDOT) has issued a Finding of No Significant Impact (FONSI) for the proposed improvements to FM 2220 (Ware Road) from Auburn Avenue (Mile 5) to FM 1924 (Mile 3/Buddy Owens) in McAllen, Hidalgo County, Texas. The proposed roadway would be comprised of six 11.5 foot wide travel lanes, two eight foot wide shoulders, and a 14 foot wide raised median with full and directional openings. Five foot wide sidewalks would be included on both sides of the roadway within a proposed 120 foot wide right-of-way (ROW). Drainage would be provided by an underground storm drain system. The proposed project would require approximately 5.1 acres (60 parcels) of additional ROW, two residential relocations (one of which is vacant), and one vacant business relocation.

Copies of the FONSI, approved Environmental Assessment (EA), and Certification of Public Involvement for this project are available for public inspection and reproduction at the TxDOT Pharr District Office, located at 600 W. Interstate 2 Pharr, Texas 78577. For further information, please contact Ms. Robin Gelston, at 956-702-6130.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.
