TxDOT-PTN Special Call for Projects Opportunity Available August 18, 2017 Questions and Answers

Question		Answer
Does each question need to be answered in the textbox provided or can the applicant refer the reader to the attachments for the answer?		The applicant must answer the question in the textbox provided but can attach illustrative documents in the Vehicles and Other Capital Projects form.
If we are able to say when we would definitely have our categorical exclusion completed within the application for funding, is it recommended to complete an application?		If evidence of environmental clearance is not submitted with the proposal by the deadline, then the proposal will be considered ineligible.
Can there be a combination of some local, State and in-kind match as well as some TDCs?		Yes.
