<b>Total Number of Signs</b>	<b>4,248</b>
------------------------------	--------------

TxDOT may authorize a political subdivision, as a certified city, to exercise control over commercial signs in its jurisdiction. If the political subdivision receives approval under this section, it will be listed as a certified city and a permit issued by that political subdivision is acceptable instead of a permit issued by the department within the approved area. *43 TAC §21.200(a)*
