

Loop 337 Project

Notice of Public Meeting No. 2

The Texas Department of Transportation (TxDOT), San Antonio District, will hold a second open house meeting regarding the proposed improvements to Loop 337 from IH 35 to Hillcrest Drive, in Comal County, Texas. The meeting will be held on Tuesday, July 12, 2016, from 5:00 p.m. to 7:00 p.m. in the New Braunfels High School Cafeteria, at 2551 Loop 337, New Braunfels, Texas 78130.

The proposed project would upgrade the existing Loop 337 roadway from two lanes undivided to a four-lane divided facility. The proposed improvements would also include sidewalks in some portions and would be constructed entirely within existing right-of-way. An open house for the project was held in November 2015. Based on feedback received at that meeting, the proposed design has been slightly revised, including the provision of a full intersection at Hanz Drive.

The purpose of the second open house is to continue the dialogue about the project with the public and receive additional comments. The public is invited to attend the open house to view project maps, visit with team members, ask questions, and share comments. As the meeting is in an open house format, no formal presentation will be given. All attendees can come at their convenience. Comments may be submitted using any of the following methods:

- Written comment card submitted at the meeting
- Verbal comment made to the court reporter at the meeting
- Written comments submitted by mail, email, or fax after the meeting

After the meeting, written comments may be submitted to Cox|McLain Environmental Consulting, Attn: Emily Reed, 6010 Balcones Drive, Suite 210, Austin, TX 78731. Faxed comments will also be accepted at (512) 338-2225. Written comments must be postmarked, faxed, or emailed to loop337@coxmcclain.com by July 22, 2016 for inclusion in the Open House Record.

The meeting will be conducted in English. Persons interested in attending the meeting who have special communication or accommodation needs, or need an interpreter, are encouraged to contact Ms. Reed at (512) 338-2223. Requests should be made by July 8, 2016. Every reasonable effort will be made to accommodate these needs. For general questions or concerns regarding the proposed project, or if you are unable to attend the open house and would like to schedule an appointment, please contact Clayton Ripps at TxDOT at (210) 615-6076.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.
