

# I-410SW Project Open House

The Texas Department of Transportation will host two open houses to discuss proposed improvements along the I-410 corridor. The approximately 14.9 mile proposed project on I-410 begins at State Highway (SH) 16 on the far south side of San Antonio and extends to the west and then north to Ingram Road in San Antonio, Bexar County, Texas.

The proposed I-410SW Project includes the following transportation improvements:

- upgrading ramps and direct connectors at the I-410/US 90 and I-410/I-35 interchanges
- constructing additional travel lanes and widening existing travel lanes
- constructing new bridges
- widening existing frontage roads
- providing bike and pedestrian accommodations

All members of the public are invited to attend the open houses to view preliminary project exhibits, a video presentation and 3D visualizations, and are encouraged to speak to project staff, and provide written comments. Your input will be used to identify potential social, environmental, and economic impacts of the proposed improvements.

**Stop by either open house any time between 5:00 PM and 7:00 PM**

**Wednesday, November 30, 2016**

**Christa McAuliffe Middle School (Cafeteria)  
9390 SW Loop 410  
San Antonio, Texas 78242**

**OR**

**Thursday, December 1, 2016**

**Northside Activity Center  
7001 Culebra Road  
San Antonio, Texas 78238**

*The same information will be presented at both meetings.*

*Need special assistance? Please contact us at 210-615-5811 on or before November 28, 2016, and every reasonable effort will be made to accommodate your needs. For additional project information contact Jesse Hayes at (210) 615-5860.*

*The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by FHWA and TxDOT.*
