RE: Loop 375 Border Highway West Extension Project

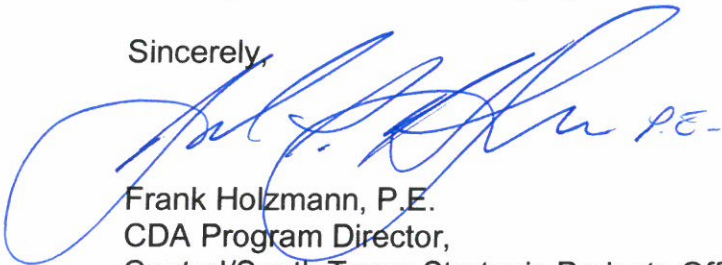

To Whom It May Concern:

Attached is Addendum #3 to the Request for Qualifications that was issued July 26, 2013, as amended August 9, 2013 and September 4, 2013 (RFQ). The Addendum amends the terms of the RFQ as indicated. Also attached are Word versions of the Addendum #3 forms.

The Texas Department of Transportation (TxDOT) has reconsidered the revisions to Part A, Section 5.3.1(a) of the RFQ that were made in Addendum #2 to the RFQ. Please see Addendum #3 for relevant revisions. The revisions to Part B, Volume 2, Section B(2)(a) of the RFQ are to clarify that the qualifications and experience of the newly added Key Personnel position of Construction Quality Manager may be, but are not required to be, submitted with the QS and will not be evaluated.

TxDOT looks forward to receiving and reviewing your Qualification Statement and to working with the shortlisted proposers in the next phase of the procurement.

Sincerely,

Frank Holzmann, P.E.  
CDA Program Director,  
Central/South Texas Strategic Projects Office
