

TEXAS TRANSPORTATION PLAN 2040

TABLE OF CONTENTS

Contents

Executive Summary

Plan Purpose	ES-2
Strategic Direction – Where do we want to go?	ES-2
Long Range Planning – How are we going to get there?	ES-3
Transportation Programming – What will it take?	ES-4
Implementation and Evaluation – How did we do?	ES-8
Conclusions	ES-10

Chapter 1 Introduction

1.1 Texas Transportation Plan Purpose	1-2
1.2 Goals, Objectives, and Performance Measures	1-3
1.3 Expected Revenues and Multimodal Needs	1-4
1.4 Meeting Needs with Available Revenues	1-5

Chapter 2 Texas Transportation Plan Development

2.1 Plan Framework: Integration with Other Transportation Plans and Programs	2-1
2.1.1 TxDOT 2015-2019 Strategic Plan	2-1
2.1.2 Texas Freight Mobility Plan	2-2
2.1.3 Other Plans and Programs	2-2
2.1.4 Meeting Legislative Requirements	2-3
2.1.5 Texas Transportation Plan Structure	2-3
2.2 Plan Technical Components	2-4
2.3 Public Outreach and Opportunities for Input	2-5
2.3.1 Technical Advisory Committee	2-6
2.3.2 Stakeholder and Public Participation	2-6
2.3.3 Input Collected from Outreach Methods and Tools	2-9

Chapter 3 Goals, Objectives and Measures

3.1 Development of Texas Transportation Plan Goals and Objectives	3-1
3.1.1 Development Process	3-1
3.1.2 Incorporating National Goals	3-1
3.2 Texas Transportation Plan Goals and Objectives	3-2
3.3 Performance Measures	3-4
3.3.1 Texas Transportation Plan Performance Measures	3-4
3.3.2 National Performance Measures	3-6

Chapter 4 Modal Profiles and Needs

4.1 Transportation Snapshot	4-1
4.1.1 Passenger Travel	4-2
4.1.2 Freight	4-8
4.2 Achieving State of Good Repair – Needs Summary	4-11
4.3 Modal Profile – Highways and Bridges	4-12
4.3.1 Bridge and Culvert Existing Conditions and Unconstrained Needs	4-12
4.3.2 Pavement Existing Conditions and Unconstrained Needs	4-14

4.3.3	Expansion Existing Conditions and Unconstrained Needs.....	4-17
4.3.4	Energy Sector Impacts to Highways and Bridges.....	4-20
4.4	Modal Profile – Non-Highway Passenger Modes.....	4-20
4.4.1	Bicycle and Pedestrian Existing Conditions and Unconstrained Needs.....	4-20
4.4.2	Intelligent Transportation Systems Existing Conditions and Unconstrained Needs.....	4-23
4.4.3	Aviation Existing Conditions and Unconstrained Needs.....	4-25
4.4.4	Passenger Rail Existing Conditions and Unconstrained Needs.....	4-26
4.4.5	Transit Existing Conditions and Unconstrained Needs	4-27
4.5	Modal Profiles – Freight	4-31
4.5.1	Highway.....	4-31
4.5.2	Freight Rail.....	4-34
4.5.3	Ports and Waterways	4-37
4.5.4	Air Cargo	4-39
4.5.5	Pipelines	4-42
 Chapter 5 Revenue Forecast		
5.1	Highway Revenues	5-1
5.1.1	Revenue Sources.....	5-1
5.1.2	Revenue Forecast.....	5-1
5.1.3	Highway Revenues Available to Meet Texas Transportation Plan Needs	5-2
5.2	Revenues for Non-Highway Modes	5-4
 Chapter 6 Investment Scenarios		
6.1	Illustrative Investment Approaches – Public Outreach	6-1
6.1.1	Approach 1 – System Preservation	6-2
6.1.2	Approach 2 – Metropolitan Mobility	6-3
6.1.3	Approach 3 – Connectivity and Freight Mobility.....	6-5
6.1.4	Approach 4 – Balanced	6-7
6.2	Approach Comparison	6-10
6.3	Investment Approaches – State of Good Repair	6-11
6.3.1	Performance Summary.....	6-12
 Chapter 7 Transportation Safety and Security		
7.1	Transportation Safety Planning.....	7-1
7.1.1	Safety Plans.....	7-1
7.1.2	Existing Safety Plans – Emphasis Areas	7-2
7.1.3	Transportation Safety Goals and Performance Measures.....	7-3
7.2	Transportation Security Planning.....	7-3
7.2.1	Security Plans	7-3
7.2.2	Transportation Security Goals and Performance Measures	7-3
 Chapter 8 Considerations For Texas Transportation Plan Implementation		
8.1	Investment Strategies.....	8-2
8.1.1	Safety and Maintenance Priorities.....	8-2
8.1.2	Energy Sector Priorities.....	8-2
8.1.3	Interstate Corridor Widening and Development.....	8-3
8.1.4	Alternative Rural Corridors.....	8-3
8.1.5	Metropolitan Mobility Improvements	8-4
8.1.6	Freight System Priorities.....	8-5

8.1.7	Multimodal Priorities.....	8-5
8.2	Sustainable Revenue Sources.....	8-6
8.3	Performance Management.....	8-7
8.4	Transitioning to Performance-Based Planning.....	8-8
8.5	Texas Transportation Plan Implementation - Next Steps.....	8-10

APPENDIX A

Public Involvement Electronic Notebook

APPENDIX B

Technical Memorandum

Exhibits

Exhibit ES-1. Highway System and Growth Trends.....	ES-1
Exhibit ES-2. Texas Transportation Plan Goal Areas.....	ES-2
Exhibit ES-3. State of Good Repair Needs to 2040 by Mode*	ES-3
Exhibit ES-4. Average Annual Revenue Needs for System Performance (2014-2040).....	ES-4
Exhibit ES-5. Proposed \$5 Billion Disbursement.....	ES-4
Exhibit ES-6. System Performance Outcomes for Average Annual Revenue Needs (2014-2040).....	ES-5
Exhibit ES-7. MetroQuest Tool Introduction Page (Spanish version).....	ES-6
Exhibit ES-9. Texas Freight Network.....	ES-7
Exhibit ES-8. Performance – Based Project Selection Criteria	ES-7
Exhibit ES-11. Performance-Based Planning Process	ES-8
Exhibit ES-10. Web-Based Project Evaluation and Information Systems.....	ES-8
Exhibit ES-12. National Performance Measure Comparisons	ES-9
Exhibit 1-1. Highway System and Growth Trends.....	1-1
Exhibit 1-2. Performance-Based Planning Process	1-2
Exhibit 1-3. Texas Transportation Plan Goal Areas.....	1-3
Exhibit 1-4. Texas Transportation Plan Performance Measures.....	1-4
Exhibit 1-5. Unconstrained Needs through 2040 by Mode.....	1-4
Exhibit 2-1. Texas Transportation Plan 2040 Development Process	2-1
Exhibit 2-2. TxDOT Mission, Values, and Goals as Defined in the 2015–2019 Strategic Plan	2-2
Exhibit 2-3. TxDOT Plans for Coordination with Texas Transportation Plan	2-2
Exhibit 2-4. Technical Memoranda Developed for the Texas Transportation Plan	2-4
Exhibit 2-5. Outreach Round 1 Meeting Schedule	2-7
Exhibit 2-6. Outreach Round 2 Meeting Schedule	2-8
Exhibit 2-7. Statewide Public Involvement Responses	2-10
Exhibit 2-8. Transportation Questionnaire	2-11
Exhibit 2-9. Interactive Tradeoff Tool Introduction Page.....	2-12
Exhibit 3-2. Texas Transportation Plan Goal Areas.....	3-1
Exhibit 3-1. Texas Transportation Plan Goal and Objective Development Process	3-1
Exhibit 3-4. Texas Transportation Plan Performance Measures.....	3-5
Exhibit 3-5. TxDOT National Performance Measures for MAP-21 Reporting	3-7
Exhibit 4-1. Texas Transportation at a Glance.....	4-1
Exhibit 4-2. Transportation Demographics Forecast	4-3
Exhibit 4-3. Commuter Mode Choice Profile	4-3
Exhibit 4-4. Statewide Pavement Condition (by lane-miles).....	4-4
Exhibit 4-5. Condition of Texas Bridges by Count (September 2012)	4-4
Exhibit 4-7. Percent Change in Trips by Mode from 2010 to 2040.....	4-5
Exhibit 4-6. Texas Population Change Projected from 2010 to 2040	4-5

Exhibit 4-8. Current Condition of Transit Assets by Asset Category..... 4-6

Exhibit 4-9. Current Condition of Transit Assets by Travel Mode 4-6

Exhibit 4-11. Texas Freight Networks..... 4-8

Exhibit 4-10. Percentage of Dollars Invested in Texas by Industry 4-8

Exhibit 4-12. State of Good Repair Needs to 2040 by Mode* 4-11

Exhibit 4-13. Existing Conditions by Bridge and Culvert Network..... 4-12

Exhibit 4-14. Existing Bridge Conditions – Percent Structurally Deficient Deck Area by District..... 4-12

Exhibit 4-15. Forecasted Cumulative Expenditures in an Unconstrained Scenario 4-13

Exhibit 4-16. Forecasted Annual Expenditures in an Unconstrained Scenario 4-13

Exhibit 4-17. 2040 Bridge and Culvert Needs (On-System Network) 4-14

Exhibit 4-19. Forecasted Performance over Planning Horizon Relative to Investment Level 4-14

Exhibit 4-18. Forecasted 2040 Bridge Needs by District..... 4-14

Exhibit 4-20. On-System Lane-Miles by Facility Type 2013..... 4-15

Exhibit 4-21. On-System Pavement Lane-Miles by Pavement Type 2013 4-15

Exhibit 4-22. On-System Pavement State of Repair (2013)..... 4-15

Exhibit 4-23. Summary of Unconstrained Needs through 2040 by Pavement Treatment Type..... 4-16

Exhibit 4-24. Annual Pavement Preventive Maintenance and Rehabilitation Needs..... 4-16

Exhibit 4-25. Lane-Miles of Needs by Treatment Type 4-17

Exhibit 4-26. Pavement State of Good Repair Trend at Different Budget Levels 4-17

Exhibit 4-27. Statewide Analysis Model (SAM) v3 Base Scenarios 4-18

Exhibit 4-29. Forecasted Increase in Commuter Stress Index..... 4-18

Exhibit 4-28. Vehicle Miles Traveled Growth by Time of Day..... 4-18

Exhibit 4-32. Pedalcyclist* and Pedestrian Fatalities in Texas and the US 4-21

Exhibit 4-33. Unconstrained Intelligent Transportation System Needs by Type (2013–2040)
(With Inflation)..... 4-23

Exhibit 4-34. Total Life-Cycle Maintenance Costs of Intelligent Transportation System Assets –
75 Percent Funded (Year of Expenditure)..... 4-24

Exhibit 4-35. Total Life-Cycle Maintenance Costs of Intelligent Transportation System Assets –
50 Percent Funded (Year of Expenditure)..... 4-24

Exhibit 4-36. Non-National Plan of Integrated Airports Systems Annual Budget Scenarios..... 4-26

Exhibit 4-37. National Plan of Integrated Airports Systems Annual Budget Scenarios 4-26

Exhibit 4-39. Passenger Rail Unconstrained Needs..... 4-27

Exhibit 4-38. Federally Designated High Speed Rail Corridors..... 4-27

Exhibit 4-40. Statewide Replacement Value of Transit Assets (Millions in 2014 Dollars) 4-28

Exhibit 4-41. Proportion of Public Transit Assets by Mode for MTA and Non-MTA Agencies..... 4-29

Exhibit 4-42. Estimated Public Transit Asset Condition for Metropolitan Transit Authority Agencies 4-29

Exhibit 4-43. Estimated Public Transit Asset Condition for Non-Metropolitan Transit Authority Agencies..... 4-29

Exhibit 4-44. 2013 Public Transit Unlinked Passenger Trips 4-30

Exhibit 4-45. Projected 2040 Total Truck Tons4-31

Exhibit 4-46. Freight Performance at Texas Bottlenecks 4-32

Exhibit 4-47. Highway and Bridge Restrictions (2013) 4-33

Exhibit 4-48. Texas – Mexico Truck Land Ports of Entry (2012)..... 4-34

Exhibit 4-49. Texas Rail Lines (2013)..... 4-35

Exhibit 4-51. Texas Land Ports of Entry with Rail Connections (2013) 4-36

Exhibit 4-50. Texas Freight Short Line Rail Lines (2013)..... 4-36

Exhibit 4-52. Rail Connections (2013)4-37

Exhibit 4-53. Estimated Texas Freight Rail Needs (2005-2030)4-37

Exhibit 4-55. Gulf Intracoastal Waterway (2013)..... 4-38

Exhibit 4-54. National Rank of Top Texas Water Ports in 2011 by Tonnage..... 4-38

Exhibit 4-56. Port Project Summary (2015-2016)..... 4-39

Exhibit 4-57. Texas’ Top Freight Airports..... 4-40

Exhibit 4-58. Interstates and Class I Rail in Proximity to Cargo Airports (2012) 4-40

Exhibit 4-59. Air Cargo Needs4-41

Exhibit 4-60. Statewide Transmission Pipeline Network (2013)..... 4-42

Exhibit 4-62. Texas Truck and Pipeline Terminals (2013)..... 4-43

Exhibit 4-61. Statewide Oil, Gas and Liquid Pipeline Network (2013) 4-43

Exhibit 4-63. National Highway System Truck Pipeline Intermodal Terminals (2013) 4-43

Exhibit 5-2. Vehicle Registrations and Population Growth (1900-2011)5-2

Exhibit 5-1. State Fuel Tax Deposits to State Highway Fund (1993-2013)5-2

Exhibit 5-4. Category Funding at a Glance5-3

Exhibit 5-3. State Highway Fund Revenues Generated by Vehicle Registration Fees (1993-2012)5-3

Exhibit 5-5 Highway Revenue Assumptions and Totals (2014 Constant Dollars).....5-4

Exhibit 6-1. Approach 1 – Investments and Costs.....6-2

Exhibit 6-2. Investment Approach 1 – Performance Outcomes.....6-3

Exhibit 6-3. Investment Approach 1 – Impacts on Long-Range Goals6-3

Exhibit 6-4. Approach 2 – Investments and Costs.....6-4

Exhibit 6-5. Investment Approach 2 – Performance Outcomes.....6-5

Exhibit 6-6. Investment Approach 2 – Impacts on Long-Range Goals6-5

Exhibit 6-7. Approach 3 – Investments and Costs6-6

Exhibit 6-8. Investment Approach 3 – Performance Outcomes.....6-7

Exhibit 6-9. Investment Approach 3 – Impacts on Long-Range Goals6-7

Exhibit 6-10. Approach 4 – Investment Allocations.....6-8

Exhibit 6-11. Investment Approach 4 – Performance Outcomes6-9

Exhibit 6-12. Investment Approach 4 – Impacts on Long-Range Goals.....6-9

Exhibit 6-15. MetroQuest Outreach Investment Approach Summary6-10

Exhibit 6-16. Average Annual Revenue Needs for System Performance (2014-2040).....6-11

- Exhibit 6-17. State of Good Repair Needs (Unconstrained) to 2040 by Mode* 6-12
- Exhibit 6-18. Additional Investment Approach Summary.....6-13
- Exhibit 8-1. Energy Producing Areas and Traffic Growth 8-2
- Exhibit 8-2. Long-Range Interstate Corridor Priorities 8-3
- Exhibit 8-3. Alternate Rural Corridors 8-3
- Exhibit 8-4. Texas Metropolitan Planning Organizations 8-4
- Exhibit 8-5. Texas Freight Network..... 8-5
- Exhibit 8-6. Dallas to Houston High-Speed Rail 8-5
- Exhibit 8-7. Texas-Oklahoma Passenger Rail 8-6
- Exhibit 8-8. Proposed Lone Star Passenger Rail 8-6
- Exhibit 8-9. NCHRP 08-91 Cross-Asset Allocation Framework..... 8-8
- Exhibit 8-10. Performance – Based Project Selection Criteria 8-9
- Exhibit 8-11. Web-based Project Evaluation and Information Systems 8-10
